HAWKENBURY • TUNBRIDGE WELLS

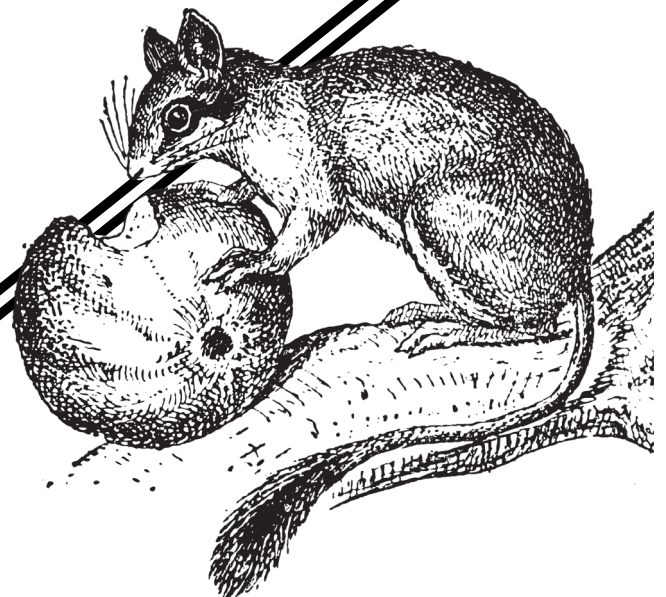

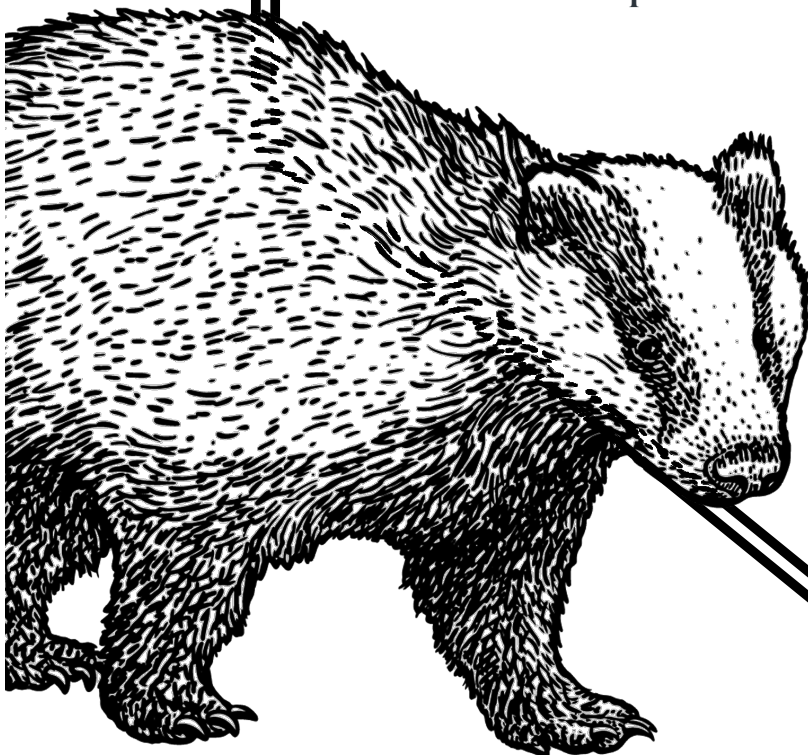

CHILDREN'S NATURE BOOK

Peer carefully into the dense leafy hedgerow
and you might spot a tiny dormouse.
On a balmy summer's evening, you will see
bats silhouetted against the dusk. Badgers may
come out to play on the nearby heath.

At Hollyfields, wildlife is protected and
allowed to flourish in our community,
in specially-created ponds and wetlands,
and preserved natural habitats.

RANSOM

Colour-in the fox and cut out on the dotted lines.
Punch a hole in each side and thread elastic through
to tie the mask onto your face. Have fun!
