About EDUCATION

City Roads' central location means it is within commutable distance of world-leading education facilities, including four universities in the top 15 global rankings.*

Of these four, two – Imperial College London and UCL are within 30 minutes on London's famous underground network, making it the ideal location for budding students.

There are also nearly 40 other universities and higher education facilities located within London. Highly rated nurseries, primary and secondary schools are conveniently located from its Zone 1 location, all easily accessible by London's world-class transport links.

Whether you need stimulating and safe care for your child at nursery level, a well-regarded school at primary or secondary age, or are looking for a London base for a son or daughter attending university, City Road is an excellent choice.

The world's best early years practices are delivered from the finest international and national nurseries and pre-schools, all within walking distance or an easy drive of City Road. All of these establishments will provide your child with a safe, happy and inspiring environment for those important early years.

NURSERY

Details

For those with busy and demanding careers, the choice of a reputable, local nursery or pre-school is of vital importance. It's also widely accepted that even very young children benefit from the social interaction and stimulation that attending nursery school brings.

Kido Clerkenwell Nursery and Pre-school

Clements Hall, 141 Central Street,
Clerkenwell, EC1V 8AP
020 8053 0849
www.kido.school

Boys and girls
AGES 3 MONTHS – 5 YEARS

Overview

Owned and operated by a group of parents from all over the world, the founders were unhappy with the quality of the early childhood education available in their cities, so they got together to build a truly 21st century program.

What to expect

Kido is dedicated to providing the highest quality early years education and care in the world by creating magical and engaging learning spaces infused with cutting edge pedagogy and great teachers, to nurture and enhance every child's innate curiosity, creativity and ability to be a lifelong learner.

Newpark Montessori Nursery School

22 Seward Street, EC1V 3PA

www.newparkchildcare.co.uk

Boys and girls
AGES 4 MONTHS – 4 YEARS

Overview

One of a small, family run group of nurseries with over 20 years of early years experience.

What to expect

Newpark Montessori offers care for children in an intimate, safe and homely environment, as close as possible to what a child would experience in their own home. The school's principle of 'small is beautiful' is applied to the design of the nursery, creating a place of discovery for every child.

Bright Buttons Nursery

Fanshaw St, N1 6HX
020 7033 0099
www.brightbuttons.uk.com

Boys and girls
AGES 3 MONTHS – 5 YEARS

Overview

Bright Buttons believes children learn through purposeful and planned play. We have a well-resourced open plan play space, with large outdoor facilities to enable children to learn, explore, investigate and play freely.

What to expect

Nursery staff will plan a variety of activities each week that have been designed to suit children's individual needs, levels of development and current interests. The staff will use the Early Years Foundation Stage (EYFS) framework to inform their planning and children will be invited to take part in activities that will build on their current levels of ability, knowledge and interest.

Broadgate Nursery

www.brighthorizons.co.uk

Boys and girls
AGES 0 – 4 YEARS

Overview

As 'a place to grow', Spitalfields Day Nursery and Pre-school provides care and education. It is one of the Bright Horizons nurseries.

What to expect

The children enjoy the open air in the compact outdoor area, complete with gardening club and mud kitchen. They are further able to explore their surroundings and learn about the wider world through walks and trips out. The bright, well-designed building with designated rooms for each age group provides a welcoming and secure environment for babies and children to learn and play, including a large baby space with its own sleep area. At lunchtime they eat excellent nutritionally-balanced menus using fresh ingredients prepared by the nursery's own chef.

BUILDING ASPIRATIONS

Primary SCHOOLS

Watch your child's personality grow and flourish. Lasting friendships and interests are nurtured and encouraged at primary school level.

It's an exciting moment for every child to start school. Parents living at City Road have a number of fantastic schools to choose from, whether their preference is for state or private education. The majority of which have achieved Ofsted's (Governments Office for Standards in Education), top rank of 'outstanding' status.

www.dallingtonschool.co.uk

Boys and girls

AGES 3 – 11 YEARS

Overview

A family-run independent school founded in 1978. It is unusual in that children do not wear a uniform, and address teachers by their first names.

What to expect

Dallington School offers a curriculum which is broad and balanced. It aims to provide for each child, a happy, secure and stimulating environment that promotes discovery and observation. The children are encouraged to become confident and enthusiastic learners, working and playing together in a co-operative, supportive way. Great emphasis is placed on nurturing the development of the powers of reasoning, reflective and critical thinking. The school is widely creative: art, design and technology, music and dance are strong elements of the curriculum, with more subjects taught by specialist teachers, including circus skills, French, drama, swimming and sports.

Overview

Virginia Primary School is located in Shoreditch, with an ethos to nurture, challenge and enable each and every pupil. The values of inclusion, growth, empowerment and adventure are at the heart of the school's work.

What to expect

The school's vision is to be a community of happy, confident, motivated lifelong learners. The school has successfully introduced a thematic curriculum, which allows pupils to make useful links between different areas of learning, and consolidate their skills. Children are also educated to be successful citizens who value themselves and each other. The school is continually striving to ensure that it nurtures, challenges and enables each child to be the best they can be in every area of school life.

North Bridge House Prep School

Boys and girls

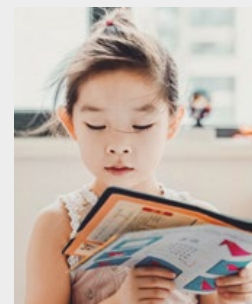

AGES 7 – 13 YEARS

Overview

One of a group of schools in north London catering from ages 2 to 18, North Bridge House Prep School's curriculum is praised by Ofsted, and the Schools Inspectorate Service, for having a clear impact on teaching and pupils' progress and helping to secure high standards in both.

What to expect

The school is on a constant journey of getting to know every pupil as an individual. With specialist expertise at every stage, they understand that success is not just about academic achievement, but also about every child finding and realising their true personal potential. The curriculum aims to develop pupils' general knowledge of a subject into a deeper understanding of its advanced concepts, and provides a complete experience of the academic, creative and physical fields of education.

Boys and girls

AGES 0 – 11 YEARS

Overview

At the heart of the school community is a commitment to prayer and worship. The school's vision is deeply rooted in the theology and Biblical teachings of Matthew 7:7, which speaks of the importance of prayer as a way of developing an enriched life and personal relationship with God as Father, Son and Holy Spirit.

What to expect

Hampden Gurney School is committed to working closely and in harmony with its community and celebrating the diversity of the UK. It aims to prepare children for life in modern Britain and to ensure that the school ethos, curriculum and approaches to teaching and learning reflect and promote British values, which it defines as: democracy, rule of law, individual liberty, mutual respect, and tolerance of those of different faiths and beliefs.
