VALENCIA TOWER

THE REGENT'S COLLECTION

Positioned between Old Street and Angel in Zone 1, 250 City Road invites you to enjoy the London high life like never before. Welcome to The Regent's Collection, a select handful of premium apartments in Valencia Tower benefitting from a bespoke specification. Located on floors twenty-six to thirty-three these beautifully designed and elegantly styled apartments provide some of the most breathtaking views across the Capital.

250 CITY ROAD

LIVING WITH DISTINCTION

Every room has a view – with residences in The Regent’s Collection offering a spectacular panorama of the Capital. Stunning 1 and 2 bedroom apartments surround the central plaza that will play host to cafés, restaurants, retail outlets and creative workspaces.

Outside, 1.9 acres of beautifully landscaped green spaces and secluded courtyards create a sense of calm, connected and contemporary living. Inspired by canal life, 3 larger than life sculptures by award-winning artist Ian Rank-Broadley act as wayfinders that guide you through the Wi-Fi enabled parkland.

THE REGENT’S COLLECTION

With its formal layout and shaded seating areas, it offers a peaceful space to relax and recharge. A true oasis in the City.

THE REGENT'S COLLECTION

ENHANCED LIVING

It is the fine attention to detail lavished throughout these homes that sets them apart.

Stylish timber flooring adds character to each of the rooms and acts as the perfect counterpart to the customised lighting. Kitchen decor includes a selection of bespoke colour palettes that frame features like the black ironmongery and hot water tap. Set against the warm hues of the bedrooms, such contrasts add an unconventional element to these design-led apartments.

The bold brass effects and sparkling worktops draw in natural light to the dining area, while the generous floorspace in the bedrooms and living areas enrich the sense of freedom. With state-of-the-art Miele appliances and bathrooms designed to be both elegant and eye-catching, these apartments are designed for the discerning.

THE REGENT'S COLLECTION

LIVING

Mixing timeless grace with urban chic, these living spaces invite you to take a moment and slow things down. Warm in winter and full of sunlight come spring, here you can relax listening to your favourite tunes on the hidden Sonos speakers or simply lose yourself watching the world go by.

MASTER BEDROOM

A combination of rich, soft furnishing, stunning parquet flooring and clever use of space in the built-in wardrobes creates bedrooms clearly designed for wellbeing. Comfort cooling and underfloor heating enhance these rooms – encouraging you to rest just that little while longer.

A world-class collection of...

Residents' FACILITIES

Whether you need an area to work away from the office or prefer to work out a little closer to home, you will find yourself in the ideal surroundings.

The Business Lounge has everything you need to host meetings and stay productive. The stunning gym space features panoramic views of the city, and the 20-metre, three lane pool with Jacuzzi, shower experience and steam and sauna rooms offers the ideal place to rest and relax.

Available 24 hours a day, seven days a week, the concierge desk is on hand to help you or your guests with any special requirements. From restaurant reservations to ordering taxis and taking deliveries, you can make your request any time of the day or night.

Living, working, studying, investing...

It can only BE LONDON

The area around 250 City Road has always been a leading technology and financial services centre. Every hour, a new tech business is established in London. In fact, over the last decade and outside of the United States, the Capital has become the focus of the tech and digital world. Right now, it is also fast becoming an elite global hub of fintechs and the world's number one destination for investment in fintech firms.

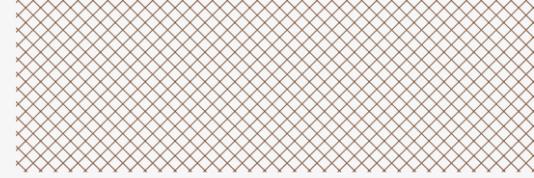

Aptly named Silicon Roundabout, its close proximity to 250 City Road, the Capital's financial Square Mile and tech giants like Facebook, Google, Amazon, YouTube and Huawei make this one of the most sought after and attractive global Capital locations for a new generation of influencers and inspirers.

Putting people at the heart of placemaking and...

Giving back to the COMMUNITY

REVIVE & REINVENT

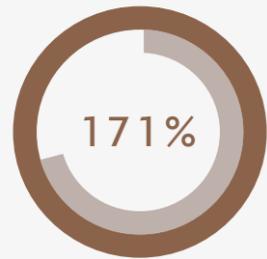

SUPPORTING LOCAL BUSINESSES AT THE HEART OF THE ECI COMMUNITY

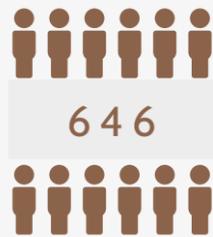

REACH APPRENTICESHIP PROGRAMME

We are committed to encouraging the brightest and best young talent to become apprentices and develop their life skills and careers within the Berkeley Group and the wider construction industry.

At 250 City Road, we have taken on 250 exceptional young people from the local neighbourhoods to develop their technical, practical and interpersonal skills. Together, we are harnessing work-ready potential and making a real difference to lives in the community.

Increase in apprenticeships at Berkeley since August 2015

Number of apprentices currently on Berkeley Group sites

CARE & RESPECT

EDUCATION

We have teamed up with local schools and universities to provide career tips and advice, including CV presentation and interview skills. During Child Safety Week, we invited local residents, parents and children to visit the site. By involving the local community, we raised awareness of the potential hazards when living near a construction site and how they can be prevented.

"If we keep the focus on people, then housing offers so much more than just shelter. It becomes a powerful force for good."

Tony Pidgley CBE, Chairman

SUPPORTING THE COMMUNITY

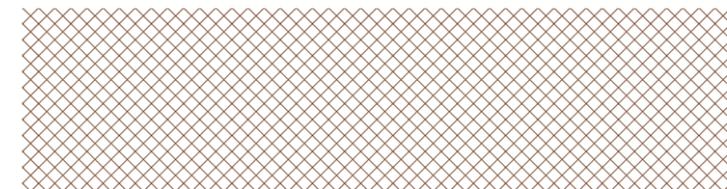

We sponsor local charities and events, including The Islington Boat Club, The Angel Canal Festival, and the homeless charity Home Start.

A website provides details of the building application and allows the public to submit their feedback.

The 250 City Road newsletter is sent out every month to update residents and the community on progress and up and coming works.

Customer RELATIONS

We want to ensure that you are happy with every aspect of your new home, so we look after our customers at every stage with expert advice, attention to detail and continuous communication.

From exchange of contracts, your dedicated Berkeley Customer Service Representative will help with any questions you may have.

Here is what you can expect:

- From the day you reserve – until the day you complete – we'll update you regularly on progress
- You will be given your own log-in credentials at reservation to access your personal MyHome Plus account where you will be able to view the development, property, construction progress and buying process information
- Sustainability is high on any responsible builder's agenda. We promise to fully communicate the environmental features of our developments to all of our customers
- Our Customer Relations Manager will present a selection of designer-conceived colour palettes to help you find the interior finish that most suits your style
- We'll meet you on site to demonstrate all the functions and facilities of your new apartment
- We personally handover your key on completion day and make sure everything is to your satisfaction
- The 2-year warranty with 24-hour emergency service has a dedicated customer service telephone number and from the 3rd to the 10th year you'll have the added security protection of a 10-year warranty

Finally we'll contact you after 7 days, at 4 weeks and 7 months after you move in, to make sure everything continues smoothly.

“

You paid excellent attention to quality. The process made me feel special. The common areas are beautifully furnished, you haven't skimped on detail. Everything looks good and functions well. The customer service was super. You were very good at answering my questions and the people accompanying me to any site visits were very knowledgeable.

Berkeley Homes (North East London) Ltd. Purchaser

Designed FOR LIFE

Our customers are at the heart of all our decisions.

We aim to understand their needs and consistently meet or exceed their expectations. The service we provide is professional, efficient and helpful to make the home buying process as straightforward and enjoyable as possible. Our levels of customer service aim to be comparable to other top brands.

CUSTOMER SERVICE IS OUR PRIORITY

All our customers are provided with a commitment that when they buy a new home from Berkeley they can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that they will enjoy an exceptional customer experience. Each customer receives tailored information relating to their purchase and has a dedicated point of contact throughout the customer journey.

GREEN LIVING AND SUSTAINABLE DEVELOPMENT IS TOP OF OUR AGENDA

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.

QUALITY IS AT THE HEART OF EVERYTHING WE DO

At Berkeley, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind, in addition to the 10-year warranty all new homes receive, Berkeley operates a 2-year policy with dedicated Customer Service teams on hand 24 hours a day to deal with enquiries quickly and effectively.

UNPARALLELED CHOICE OF HOMES IN THE MOST SOUGHT AFTER LOCATIONS

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type. From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast – we build in the locations you want to live.

A COMMITMENT TO CREATING SUSTAINABLE COMMUNITIES

Berkeley's homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.

Proud to be a member of the Berkeley Group of companies

A commitment TO THE FUTURE

Over the years, the Berkeley Group has won many prestigious awards for the quality, design and sustainability of its developments.

Our Vision is Berkeley's strategic plan for the business, designed to raise standards higher still. Our goal is to be a world-class business, defined by the quality of the places we create, generating long-term value and having a positive impact on society.

We take our responsibilities towards our customers, the environment, our workforce and the communities in which we work very seriously.

Our plan for the business has five areas of strategic focus: Customers, Homes, Places, Operations and Our People.

Our Vision

To be a world-class business, defined by the quality of the places we create, generating long-term value and having a positive impact on society.

Five Focus Areas

An Exceptional Customer Experience	High Quality Homes	Great Places	Efficient and Considerate Operations
We put customers at the heart of our decisions. Dedicated sales teams will provide exceptional service throughout the buying process, and teams will manage the customer relationship from exchange of contracts through to completion, delivery of the new home and after occupancy.	We aim to build high quality, well-designed homes with low environmental impact, where customers have the opportunity to achieve healthy, comfortable and sustainable lifestyles, now and in the future. Attention to detail in design is paramount to ensure our homes meet the needs of our customers.	We seek to create strong communities where people choose to live, work and spend their time and which directly encourage people's wellbeing and quality of life. These are places characterised by the quality of their design, external spaces, transport and access to jobs and amenities.	We reduce the impact of the construction process on the local community by registering all of our sites with the Considerate Constructors Scheme. We set targets to reduce water, energy and waste. We work with our supply chain to ensure high quality services and materials are consistently provided.

A Commitment to People

The safety, health, wellbeing and development of our people is a high priority. We aim to have a positive impact on society through our support of the Berkeley Foundation.

The Berkeley Foundation is the independent grant-making foundation established by the Berkeley Group in March 2011.

It works in partnership with the voluntary sector and others to help young people in London, Birmingham and the South of England overcome barriers, improve their lives and build a fairer society. It does this primarily by funding high-quality frontline support for marginalised young people. Since its launch, the Foundation has committed over £18 million to more than 100 charities and worthy causes.

The Foundation's funds come from a variety of sources. To date, Berkeley Group employees have raised an amazing £5 million through fundraising events and Give As You Earn. External donations and support comes from Berkeley's supply chain and consultants. The Berkeley Group provides core funding and pays all the Foundation's overheads, which means that all money raised is spent on charitable activities.

In 2018/19, 65% of Berkeley staff got involved with the Foundation's work.
