*Want to buy a new St Edward
home but have a home to sell first?*

TALK TO US ABOUT OUR
ASSISTED MOVE SCHEME

St Edward
Designed for life

*Let us help you buy your new home
with our Assisted Move Scheme*

*You can relax knowing that our team are with you every
step of the way to help you sell your existing property and
get you moving hassle-free and fast.*

HOW IT *works*

With Assisted Move, we'll arrange to have your existing home valued using independent estate agents. We will work with them and you agree a realistic sale price. Once agreed you can reserve your new Hartland Village dream home.

Working closely with your estate agents we'll ensure you have the best chance of selling your property within the agreed timescale – using Help to Buy if you wish (please ask us for further information).

Assisted Move can work for you if you are in a chain, if your property isn't on the market yet, if you haven't found a buyer or if you are downsizing. We will also pay your estate agent fees for you.

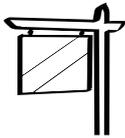

1. CHOOSE

First, choose your new home at Hartland Village

2. VALUATION

We will arrange for 3 independent valuations of the home you're selling

3. SELL

We'll agree a selling price with you and arrange for local agent(s) to be instructed to sell your home

4. MOVE

When the sale of your current home is agreed, we will pay your estate agent fees and help enable a hassle-free move to your new Hartland Village home
