PRINCE OF WALES DRIVE

BATTERSEA LONDON SW11

Perfectly located in Zone 1 with all that Battersea old and new has to offer, including one of London's finest parks, Battersea Park on the doorstep.

Prince of Wales Drive also provides access to both underground and overground stations less than 5 minutes' walk away and the new Northern Line extension, due to open in 2020, will cut journey times to the City and West End to just under 15 minutes.*

With easy access to the river and Chelsea, via Chelsea Bridge, and just a mile from Sloane Square, Prince of Wales Drive is ideally placed to enjoy all of London. The Thames Clipper River Bus is now running throughout the day from Battersea Power Station Pier (only a 6 minute walk from the development) with frequent services to Blackfriars in just 20 minutes.*

Prince of Wales Drive is a considered collection comprising 1, 2 and 3 bedroom homes within 11 distinctive pavilions together with cafés, shops and a crèche. The stunning residents' facilities include a pool, sauna, steam room, eighth floor residents' roof terrace, concierge and secure residents' basement parking.** All set within 2.5 acres of open space.

St William is pleased to present Chartwell House
– the fourth of 11 pavilions to be completed.

CREATED BY ST WILLIAM

* All times are based on travelling at 7.30am on a weekday. Sources: tfl.gov.uk and Google maps.
** Available to purchase on a 'right to park' basis.

WELCOME TO PRINCE
OF WALES DRIVE

BEAUTIFUL BY DAY

STUNNING BY NIGHT

RELAX AND ENJOY

Exclusively for the residents; the serenity of the 17m swimming pool and the warm jets of the vitality pool are the perfect way to unwind. Enjoy a swim or simply relax poolside and forget all about the outside world in the sauna or steam room. Residents can also access a fully fitted 24-hour commercial gym* direct from the residents' pool and spa.

The 24-hour concierge service brings security, convenience and peace of mind. Relax on the eighth floor residents' roof terrace and enjoy the views sheltered from the elements in the elegantly designed Pavilion, or spend a lazy afternoon in the sun.

The entrance lobby in Kensington House.

SPACIOUS OPEN PLAN LIVING,
HIGH QUALITY FINISHING AND
WORLD-CLASS DESIGN OFFER
THE PERFECT ENVIRONMENT TO
BOTH RELAX AND ENTERTAIN.

THOUGHTFUL DESIGN MAXIMISES THE USE OF SPACE AND LIGHT THROUGHOUT. THE PALETTE OF MATERIALS ENSURES THE INDUSTRIAL HERITAGE AND NATURE OF THE PARK ARE COMBINED TO CREATE A DISTINCT CHARACTER.

□□ THIS IS MODERN LIVING AT ITS BEST WITH INTERIORS THAT ARE REFINED, YET ALSO WELCOMING; ASPIRATIONAL WHILE ALSO VERY COMFORTABLE; AND INSPIRED BY LOCAL HERITAGE BUT ALSO COMPLETELY CONTEMPORARY.

□□

Inge Moore,
Principal and Creative Director, Founder, Muza Lab

DEVELOPMENT LAYOUT

Created by St William, Prince of Wales Drive will feature 1, 2, and 3 bedroom homes within 11 distinctive pavilions, surrounding the unique and beautiful central gardens designed by Gillespies.

APARTMENT INTERIOR OPTIONS

Muza Lab have designed two bespoke
 palettes for the interiors: City and Town.

CITY

This palette choice takes a strong reference from the rich industrial heritage in both the choices of colours and materials. In the kitchen, ceramic tiles banding highlights the splashback, while in the bathroom, darker tones are to the vanity unit and the composite stone vanity top and sink surround.

TOWN

In contrast to City this palette is softer and warmer in tone. In the kitchen the colour of the composite stone counter tops and timber veneered cupboard doors suggest the influence of the nature of the park. Continued through to the bathroom, timber effect vanity unit combines with textured tiles to the bathroom feature wall.

APARTMENT
SPECIFICATION

Photography is indicative only.

□□
MATERIALS USED ARE WITHIN THE FINEST
TRADITIONS OF LUXURY RESIDENTIAL
DESIGN, IMAGINATIVELY COMBINED
TO ACHIEVE HARMONY AND CHARM.
□□

Inge Moore,
Principal and Creative Director, Founder, Muza Lab

KITCHEN

- Contemporary designed fitted kitchen with bespoke feature cupboard
- Granite or composite stone worktops
- Ceramic tile splashback
- Integrated Siemens appliances including combi oven/microwave or single oven and separate microwave, induction hob, dishwasher and fridge/freezer
- Concealed extractor
- Washer/dryer in separate utility cupboard
- Undercounter beverage cooler (where applicable)
- Undermounted stainless steel sink with contemporary tap
- Under cabinet lighting

BATHROOM & EN-SUITE

- Contemporary white sanitaryware
- Granite or composite stone worktops
- Undermounted white ceramic basin with contemporary taps
- Wall mounted dual flush WC
- Custom designed mirrored vanity unit with concealed shaver socket
- Fluted glass shower screen
- Ceiling mounted showerhead and handheld shower with thermostatic controls
- Porcelain floor and wall tiling
- Towel rail to heated wall

LIVING ROOM

- Recessed full height fitted sheer blind

WARDROBE

- Fitted wardrobe to master bedroom with fluted glass doors, automatic light, shelf and hanging rail

WALL & FLOOR FINISHES

- Painted internal walls. Colour subject to chosen palette
- Engineered timber flooring to hallways, living and dining room. Colour subject to chosen palette
- Carpet to bedrooms. Colour subject to chosen palette

ELECTRICS & LIGHTING

- Bespoke finish to switches and sockets where applicable
- LED downlights throughout
- Dimmable lights to living room and master bedroom
- Automatic lighting to utility and coat cupboards
- TV point to living room and all bedrooms
- BT point to living room and master bedroom
- Provision for Sky+ to living room and all bedrooms
- Provision for high speed broadband
- Video door entry system
- Smoke and heat detectors and sprinkler system throughout
- USB socket to kitchen and all bedrooms

International satellite TV services (e.g. Arabsat and Hotbird) are available over the broadband network via connection of an IPTV set-top box (customers to provide own broadband and set-top box).

IRONMONGERY

- Uniquely designed feature handle to front door
- Multi-point locking system to front door
- Individual letterbox
- Contemporary finish to internal ironmongery

HEATING & COOLING

- Underfloor heating throughout
- Comfort cooling
- Touch screen controls
- Mechanical ventilation system

SECURITY

- 24-hour concierge
- Secure underground parking (Available to purchase on a 'right to park' basis as both unallocated and allocated terms, subject to certain criteria)
- Communal CCTV
- Entrance to buildings and car park via a fob

EXTERNAL AREAS

- Glass balustrade with feature handrail
- Composite decking

COMMUNAL AREAS

- Feature wall panelling and tiling to main entrance lobbies
- Feature carpet to communal corridors

SUSTAINABILITY

- Energy efficient lighting throughout
- Sustainably sourced timber
- Locally sourced materials where possible
- Acoustic and thermal insulation designed into the fabric of the building
- Heating and hot water provided by an energy efficient central combined heat and power system
- Photovoltaic panels to roof tops
- Mechanical ventilation system
- High performance glazing to all doors and windows

THE PREMIUM
COLLECTION

DISTINCTIVE
INTERIOR DESIGN

REFINED SPECIFICATION AND DESIGN

An exclusive collection of 3 bedroom-3 bathroom apartments which are triple aspect featuring terraces and balconies to living area and master bedroom. The design complements the spacious layouts and the hidden luxuries of acoustic insulation, comfort cooling, underfloor heating and floor-to-ceiling glazing.

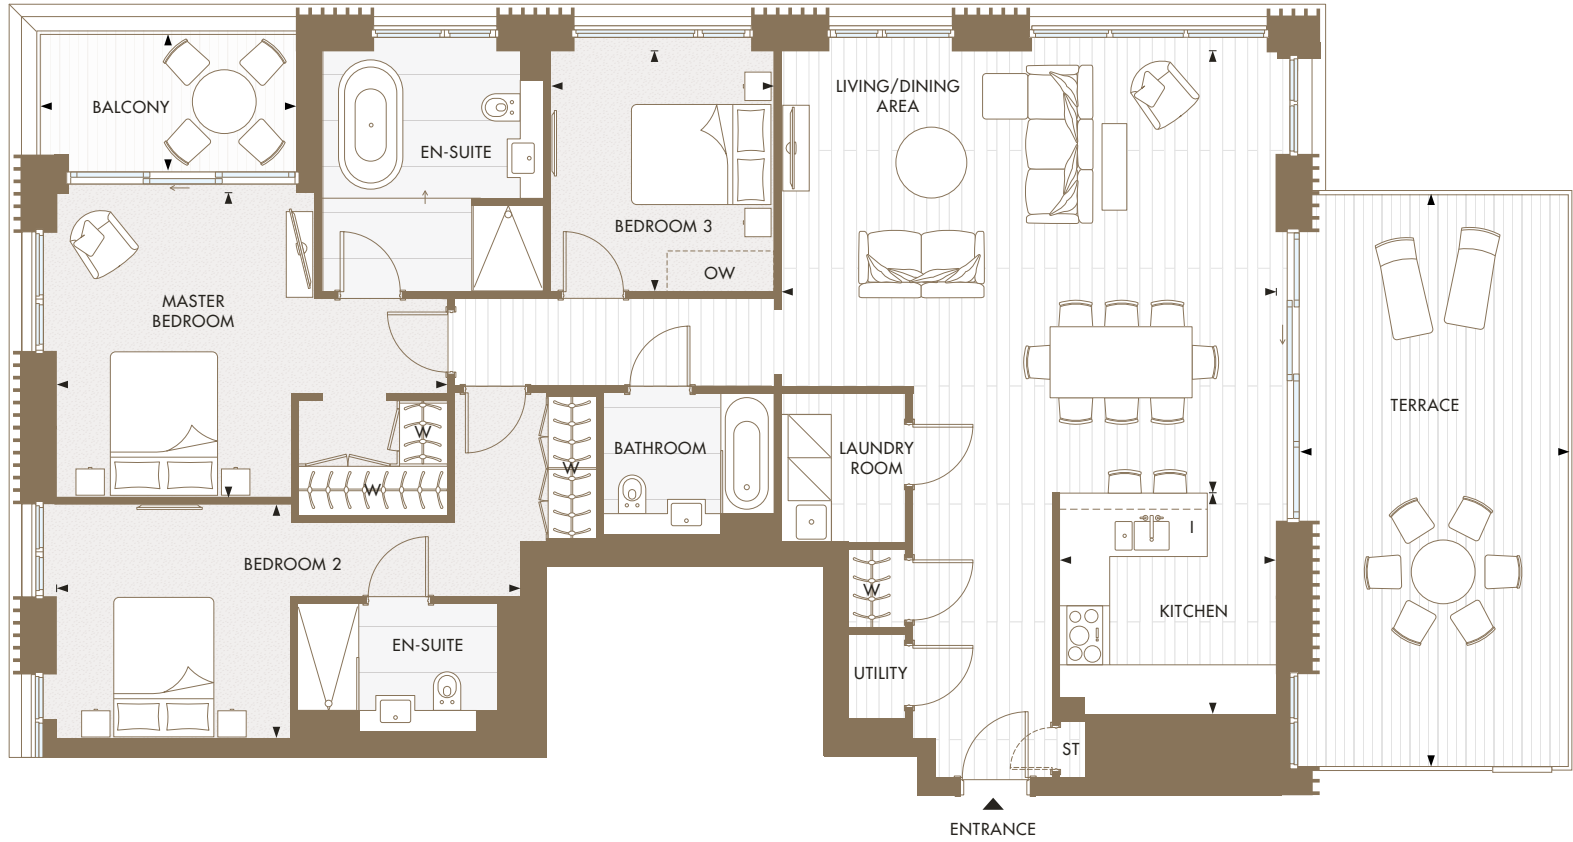

THE PALETTE OF MATERIALS AND COLOURS
UNIQUELY BELONGS IN THIS LOCATION
WITH CAREFULLY CONSIDERED FEATURES
THAT ENSURE THE INDUSTRIAL CONTEXT
IS CARRIED THROUGH IN THE DETAILS.

PUTNEY

This palette choice takes a strong reference from the rich industrial heritage in both the choices of colours and materials. In the kitchen, grey limewash flooring forms the backdrop to such features as gun metal taps and a metal mesh finish to the feature cabinet.

The kitchen counter is a dark stone and the splashback has an antique mirror tile feature. Timber effect tiles together with a dark stone vanity unit create a bold statement in the bathroom. This is complemented by grey tiles on the walls and floor, with a grey feature wall of layered ceramic tiles and fluted glass bath/shower screens.

VICTORIA

Takes inspiration from the natural hues of the park. The overall palette is soft and honey toned, with a light oak floor, pale reconstituted stone kitchen counter, timber veneered cupboard doors. The feature cabinets complement the metal veined glass. With industrial style taps in a brushed nickel finish.

Timber effect tiles with a creamy reconstituted stone sink surround and counter top form a vanity unit of rich, warm tones. There are lightly coloured floor and wall tiles with a textured ceramic tile feature wall.

WESTMINSTER

Westminster offers the greatest contrast of the light and the dark in its palette. Here, pale reconstituted stone is coupled with a dark grey floor and wall tile, in the bathroom. A creamy white stone, with soft grey veining, in the kitchen, is combined with richly toned oak flooring, laid herringbone pattern with timber veneered kitchen cabinetry.

Rough ceramic slabs create a textured feature wall in the bathroom, which accompany timber effect tiles to the vanity unit and gun metal finish to the taps.

THE PREMIUM
COLLECTION
SPECIFICATION

MUZA LAB ESTABLISHED A
PALETTE OF MATERIALS AND
COLOURS THAT UNIQUELY BELONG
TO PRINCE OF WALES DRIVE.

Inge Moore,
Principal and Creative Director, Founder, Muza Lab

KITCHEN

- Contemporary designed fitted kitchen with bespoke feature cupboard
- Granite or composite stone counter top*
- Integrated Miele appliances including combi oven with microwave, combi oven with steam, induction hob, coffee machine, dishwasher, fridge/freezer
- Concealed extractor
- Undercounter beverage cooler
- Free-standing Miele washing machine and free-standing dryer in the laundry room
- Undermounted stainless steel sink with contemporary tap
- Under cabinet lighting

BATHROOM & EN-SUITE

- Contemporary white sanitaryware
- Granite or composite stone counter top*
- Undermounted white basin with contemporary taps
- Wall mounted dual flush WC
- Custom designed mirrored vanity unit with concealed shaver socket
- Fluted glass shower screen
- Ceiling mounted showerhead and handheld shower with thermostatic controls
- Freestanding bath to master en-suite
- Towel rail to heated wall
- Porcelain floor and wall tiling
- LED feature lighting

LIVING ROOM

- Recessed full height fitted blind

WARDROBE

- Fitted wardrobe with fluted glass door, automatic light, shelf, drawer set (master bedroom only) and hanging rail to master bedroom and bedroom 2 (no drawer pack to bedroom 2)

WALL & FLOOR FINISHES

- Painted internal walls. Colour subject to chosen palette
- Engineered Oak floor to hallways, living and dining room colour subject to chosen palette
- Carpet to bedrooms. Colour subject to chosen palette
- Increased ceiling height

ELECTRICS & LIGHTING

- Bespoke finish to switches and sockets where applicable
- LED downlights throughout
- Dimmable lights to living room and master bedroom
- Automatic lighting to utility and coat cupboards
- TV point to living room and all bedrooms
- BT point to living room and master bedroom
- Samsung 46" LED TV to living room and Sonos sound bar
- Provision for Sky+ to living room and all bedrooms
- Provision for high speed broadband
- Video door entry system
- Smoke and heat detectors and sprinkler system throughout
- USB socket to kitchen and all bedrooms
- International satellite TV services (e.g. Arabsat and Hotbird) are available over the broadband network via connection of an IPTV set-top box (customers to provide own broadband and set-top box).

IRONMONGERY

- Uniquely designed feature handle to front door
- Multi-point locking system to front door
- Individual letterbox
- Contemporary finish to internal ironmongery

HEATING & COOLING

- Underfloor heating throughout
- Comfort cooling
- Touch screen controls
- Mechanical ventilation system

SECURITY

- 24-hour concierge
- Secure underground parking (Available to purchase on a 'right to park' basis as both unallocated and allocated terms, subject to certain criteria)
- Communal CCTV
- Entrance to buildings and car park via a fob

EXTERNAL AREAS

- Glass balustrade with feature handrail
- Composite decking to balcony/terrace

COMMUNAL AREAS

- Feature wall panelling and tiling to main entrance lobbies
- Feature carpet to communal corridors

SUSTAINABILITY

- Energy efficient lighting throughout
- Sustainably sourced timber
- Locally sourced materials where possible
- Acoustic and thermal insulation designed into the fabric of the building
- Heating and hot water provided by an energy efficient central combined heat and power system
- Photovoltaic panels to roof tops
- Mechanical ventilation system
- High performance glazing to all doors and windows

OUR GOAL IS TO TRANSFORM INDUSTRIAL
SITES FROM A BYGONE AGE INTO BEAUTIFUL
PLACES, WHICH PEOPLE CALL HOME.

Tony Pidgley CBE
Chairman of Berkeley Group

CREATED BY: ST WILLIAM

OUR DIFFERENCE

St William is a joint venture between Berkeley Group and National Grid.

Our vision is to develop sites that have been closed to the public for decades and reconnect them to the community.

We want the places built by St William to be renowned for the quality of their landscape and the open space.

The term 'landscape' comes from two words meaning 'to shape a place where people belong'. That idea inspires our approach. The space between buildings is where you create a community and somewhere that is sociable, sustainable and safe.

We believe beautiful landscaped open spaces give room to breathe and sit in harmony with our vision for the carefully considered architecture and thoughtfully designed interiors throughout our developments.

To pioneer a landscape-led approach to Urban developments is hugely important to us. We truly believe these spaces between the buildings are as important as the buildings themselves, where one's wellbeing within that space can be emphasised through positive design.

Backed by the strength and expertise of National Grid and the Berkeley Group, St William will regenerate sites at the heart of communities across London and the South of England, creating homes for everyone.

St William

Designed for life

PRINCE OF WALES DRIVE – DESIGNED FOR LIFE

Our customers are at the heart of all our decisions. We aim to understand their needs and consistently meet or exceed their expectations. The service we provide is professional, efficient and helpful to make the home buying process as straightforward and enjoyable as possible. Our levels of customer service aim to be comparable to other top brands.

CUSTOMER SERVICE IS OUR PRIORITY

All our customers are provided with a commitment that when they buy a new home from St William they can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that they will enjoy an exceptional customer experience. Each customer receives tailored information relating to their purchase and has a dedicated point of contact throughout the customer journey.

GREEN LIVING & SUSTAINABLE DEVELOPMENT IS TOP OF OUR AGENDA

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.

QUALITY IS AT THE HEART OF EVERYTHING WE DO

At St William, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind, in addition to the 10 year warranty all new homes receive, St William operates a 2 year policy with dedicated Customer Service teams on hand 24 hours a day to deal with enquiries quickly and effectively.

UNPARALLELED CHOICE OF HOMES IN THE MOST SOUGHT AFTER LOCATIONS

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type. From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast – we build in the locations you want to live.

A COMMITMENT TO CREATING SUSTAINABLE COMMUNITIES

St William's homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.

A COMMITMENT TO THE FUTURE

Over the years, the Berkeley Group has won many prestigious awards for the quality, design and sustainability of its developments.

Our Vision is Berkeley's strategic plan for the business, designed to raise standards higher still. Our goal is to be a world-class business, defined by the quality of the places we create, generating long-term value and having a positive impact on society. We take our responsibilities towards our customers, the environment, our workforce and the communities in which we work very seriously.

Our plan for the business has five areas of strategic focus: Customers, Homes, Places, Operations and Our People.

AN EXCEPTIONAL CUSTOMER EXPERIENCE

We put customers at the heart of our decisions. Dedicated sales teams will provide exceptional service throughout the buying process, and teams will manage the customer relationship from exchange of contracts through to completion, delivery of the new home and after occupancy.

HIGH QUALITY HOMES

We aim to build high quality, well-designed homes with low environmental impact, where customers have the opportunity to achieve healthy, comfortable and sustainable lifestyles, now and in the future. Attention to detail in design is paramount to ensure our homes meet the needs of our customers.

GREAT PLACES

We seek to create strong communities where people choose to live, work and spend their time and which directly encourage people's wellbeing and quality of life. These are places characterised by the quality of their design, external spaces, transport and access to jobs and amenities.

EFFICIENT AND CONSIDERATE OPERATIONS

We reduce the impact of the construction process on the local community by registering all of our sites with the Considerate Constructors Scheme. We set targets to reduce water, energy and waste. We work with our supply chain to ensure high quality services and materials are consistently provided.

A COMMITMENT TO PEOPLE

The safety, health, wellbeing and development of our people is a high priority. We aim to have a positive impact on society through our support of the Berkeley Foundation.

THE BERKELEY FOUNDATION

We set up the Berkeley Foundation in 2011. It supports voluntary sector organisations to improve people's lives in the communities where we work, and last year worked with 49 different organisations and their beneficiaries.

Our staff have been instrumental in making the Foundation grow, with over 60% getting involved last year and raising over £935k. They also give their time and skills, for example by mentoring young people to help them become more confident and job ready.

Since its launch, the Foundation has committed over £14.9 million to more than 100 charities and worthy causes. Berkeley Group covers all overhead costs, so all money raised goes directly to charitable causes.
