A CULTURE OF SHOPPING

OVER 28 MILLION PEOPLE COME TO KINGSTON EACH YEAR TO ENJOY
LONDON'S THIRD LARGEST AND MOST POPULAR SHOPPING LOCATION.

In Kingston's 800 year old Market Square the market stalls still trade every day, while the ancient square itself hosts all manner of festivals throughout the year.

But Kingston offers more than nostalgia. The modern retail world is here to be enjoyed to the full and Kingston's shopping streets and centres have everything a shopper could wish for.

Explore the small boutiques, with exclusive names like Rituals and Jo Malone alongside up and coming new designers. Discover the Apple Market – lined with small clothes shops and tempting cafés, its beautiful courtyard and outdoor seating. Drop into the large John Lewis on pedestrianised Clarence Street, or browse for antiques along Old London Road. From favourite supermarkets to top fashion, with names from Apple to Zara, Kingston is a shopper's paradise that continues to evolve.

STREETS ABUZZ

GREAT FOOD, GOOD FRIENDS AND SO
MANY EXCITING RESTAURANTS.

Royal Exchange sits in the midst of a culinary scene that's as broad as it is lively. Early risers head to the Beanberry Coffee Company's grinds. Brunch is at the light and airy Rossopomodoro restaurant or enjoy al fresco dining at the Bavarian restaurant, Stein's.

Pick from Henry's Café around Charter Quay; Five Guys, among others, at The Rotunda; or the intriguing independents along Castle Street.

Or simply stroll to the Thames, and choose from Busaba Eathai, Côte or one of London's best vegetarians, Riverside Vegetaria. The Gazebo pub is there too, and spills onto the banks in the summer. It's a town that's thoroughly alive, throughout the year.

AN EXCITING FUTURE

KINGSTON'S POPULARITY AND EVER-IMPROVING
CONNECTIONS ARE DRIVING AN EVOLUTION THAT EXTENDS
INTO ALMOST EVERY ASPECT OF LIFE.

Key to Kingston's evolution is the £400m planned Eden Walk regeneration. Its sculpted public plaza, lined with a wide variety of shops will also combine a boutique cinema and a selection of new eateries –all just a few minutes walk from Royal Exchange.

Meanwhile, The Bentall Centre – South West London's most prominent shopping destination for the last 25 years – is also to receive an upgrade. There are plans for a £25m redevelopment including new entertainment facilities for all the family and several new restaurants, including a rooftop bar. The renovations will include the introduction of several major brands, some of which are newcomers to the UK, and a full refresh of the centre's interiors to make each visit even more enjoyable.

IMAGE RIGHT
New Unilever HQ

Elsewhere, the £32m Go Cycle programme will create a number of cycle friendly routes and healthy streets across Kingston by 2022. Improvements planned for Kingston train station include cycle storage for 250 bikes and a direct pedestrian and cycle route towards the River Thames.

Also coming to Kingston is a breathtaking new HQ for Unilever. The mixed-use campus style development will provide retail space as well as offices and reflect Kingston's rich heritage – while offering impeccable green credentials. Not only will it be carbon neutral, it will see The Hogsmill, one of London's lost rivers, restored with natural banks and planting as an asset for the town. Eden Campus will mean new jobs and investment and further enhance Kingston as a fantastic place to work and live.

However, perhaps the most important change may come in the shape of Crossrail 2. Currently at the planning stage, if approved, the proposed £27bn rail link could add up to eight more trains an hour to Central London.

RUTHERFORD HOUSE

MODERN LUXURY

THE UNIQUE CHARACTER OF THE DEVELOPMENT
CONTINUES INSIDE.

A home should be a statement of style. At Royal Exchange, the modern interior design creates a clear vision for each room. Quality materials are specified throughout with skilled craftspeople ensuring that fittings and finishes are to a high standard.

Chevron flooring is smooth underfoot. High end appliances and composite stone worktops sit alongside black ironmongery. Details, both large and small, contribute to the living spaces' practical effectiveness and fine aesthetic design.

Elegant bedrooms offer generous spaces with fitted wardrobes to the master. The bathrooms are contemporary with mosaic floors and feature black ironmongery.

CONTEMPORARY STYLE

YOUR NEW HOME COMES WITH
TWO BEAUTIFULLY DESIGNED
COLOUR PALETTES TO CHOOSE FROM;
THE HAMPTON PALETTE AND
THE RICHMOND PALETTE.

THE HAMPTON PALETTE

COOL AND CONTEMPORARY,
WITH LIGHT PASTEL SHADES THAT COMBINE
ELEGANCE AND PRACTICALITY.

The Hampton is a cool palette with blue tones, creating a clean, modern style that unites every room.

Smooth chevron flooring in pale natural wood shades are teamed with fresh blue doors in the kitchen, while sparkling white tiles make the full use of light. The bathrooms have stylish geometric wall tiles providing a satisfying contrast to the mosaic flooring.

THE RICHMOND PALETTE

FOR A DISTINCTIVE AND SOPHISTICATED APPROACH,
INTRODUCING A COLOUR PALETTE THAT OFFERS CONTRAST
WITH A HINT OF NOSTALGIA.

Select the Richmond palette for darker accents that provide contrast and a sense of drama.

Refined greys create a mood of sophistication and a feeling of warmth. The kitchen is elegant, with crisp white tiles, stylish dark grey cabinets and the natural tones of wooden flooring. Equally dramatic are the bathrooms, with their black mosaic floors in contrast with the white wall tiles.

OUR DIFFERENCE

CREATED BY ST GEORGE.

IMAGES
Fulham Reach and London Dock

AT ST GEORGE, WE DESIGN FOR LIFE.

TRANSFORMING UNIQUE PARTS OF THE CAPITAL IS OUR SPECIALITY. WE SUSTAINABLY REGENERATE PREVIOUSLY NEGLECTED AREAS INTO HIGH-QUALITY AND MIXED-USE HOUSING, CREATING NEW SPACES WHERE PEOPLE ARE BOTH HAPPY AND PROUD TO LIVE.

London is a city in global demand and uncovering space to create suitable housing to meet that demand is harder than ever. We achieve the seemingly impossible by searching out overlooked and under-appreciated areas that can be transformed into beautiful housing that meets the needs of aspirant city-dwellers.

We believe people, partnerships, and a shared vision, are key to successfully delivering thoughtfully designed homes and to create thriving communities.

We have been designing and building such spaces for decades. We are driven to create a lasting legacy for the Capital, and its people, through collaboration and partnerships.

OUR VISION IS TO DEVELOP SITES THAT HAVE BEEN CLOSED TO THE PUBLIC FOR DECADES AND RECONNECT THEM TO THE COMMUNITY.

We want the places built by St George to be renowned for the quality of their landscape and the open space. The term 'landscape' comes from two words meaning 'to shape a place where people belong'. That idea inspires our approach. The space between buildings is where you create a community and somewhere that is sociable, sustainable and safe.

We believe beautiful landscaped open spaces give room to breathe and sit in harmony with our vision for the carefully considered architecture and thoughtfully designed interiors throughout our developments.

To pioneer a landscape-led approach to urban developments is hugely important to us. We truly believe these spaces between the buildings are as important as the buildings themselves, where one's well-being within that space can be emphasised through positive design.

ST GEORGE AIMS TO BUILD YOUR HOME TO A VERY HIGH STANDARD OF DESIGN AND QUALITY AND HAS OVER 40 YEARS OF EXPERIENCE OF DELIVERING.

When you buy a new home from us it comes with a 10-year LABC warranty – the first two years of which are covered by St George. However, over and above this, we will take a reasonable approach to resolving issues, even if they fall outside of the warranty criteria or time periods. In other words, we will stand by our product and work with you to find an appropriate, fair and reasonable resolution to any issues that may arise in the future. All our customers are provided with a commitment that when they buy a new home from St George, they can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and they will enjoy an exceptional customer experience.

WHAT IS MYHOME PLUS?

MYHOME PLUS IS A NEW ONLINE SERVICE THAT IS DESIGNED TO HELP YOU MANAGE KEY ASPECTS OF YOUR NEW HOME AT ANY TIME FROM ANYWHERE AROUND THE WORLD.

BUYING PROCESS

THIS SECTION PROVIDES YOU WITH A STEP-BY-STEP GUIDE TO THE BUYING PROCESS FROM RESERVATION THROUGH TO COMPLETION, MOVING IN AND WARRANTY. AT EACH MILESTONE, THE BUYING PROCESS SECTION ADVISES ON THE NEXT STEPS SO THAT YOU CAN BE ABSOLUTELY CLEAR ON YOUR CURRENT POSITION AND WHAT TO EXPECT NEXT.

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

2. MEET THE TEAM

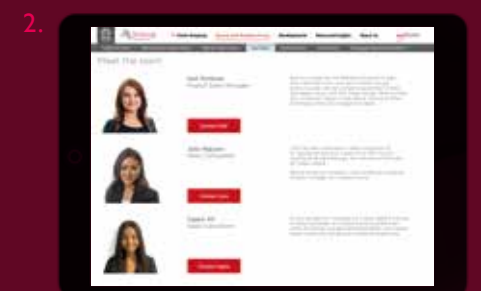

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can email any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation. See the next steps section for further detail on this.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on-site and the local area. Your Customer Service Manager will issue regular newsletters and photographs to this section throughout your journey.

NEXT STEPS

- 1 Your Sales Consultant will send you a link that you will need to activate to access MyHome Plus. The link will require you to set a password for access.
- 2 Customer Service will then be in touch to invite you in to our Show Apartment to view the interior selections available for the internal finishes that you have an option to select. If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Service will need to receive your choices selection by the deadline date, which will be given in advance.

DESIGNED FOR LIFE

BUYING A HOME IS ONE OF THE MOST IMPORTANT DECISIONS YOU WILL EVER MAKE.

At St George, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two St George customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of St George developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications

with great care. When you buy a new home from St George you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

For St George, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

A COMMITMENT TO THE FUTURE

OVER THE YEARS, THE BERKELEY GROUP HAS WON MANY PRESTIGIOUS AWARDS FOR THE QUALITY, DESIGN AND SUSTAINABILITY OF ITS DEVELOPMENTS.

Berkeley Group is a responsible organisation, wholly committed to being a world-class business, as defined by the quality of places we create, the value they generate for people, communities and the environment, and their positive long-term impact on society. We set ourselves the highest standards in the industry for design, construction, safety and efficiency.

Our Vision, a strategic plan for the business, is designed to raise our standards higher still. Our Vision is reviewed every two years, following objective analysis and discussion of the key industry, national and global issues that are most relevant to our customers and supply chain.

Our Vision focuses our attention on five key business areas.

CUSTOMERS, HOMES, PLACES, OPERATIONS AND OUR PEOPLE.

OUR VISION

To be a world-class business generating long-term value by creating successful, sustainable places where people aspire to live.

FIVE FOCUS AREAS

AN EXCEPTIONAL CUSTOMER EXPERIENCE

We aim to put customers at the heart of our decisions. Dedicated sales teams will provide exceptional service throughout the buying process, and teams will manage the customer relationship from exchange of contracts through to completion, delivery of the new home and after occupancy.

HIGH QUALITY HOMES

When you buy a new home from Berkeley you can be safe in the knowledge that it is built to very high standards of design and quality and has low environmental impact. We meet specific space standards for new homes and aim to deliver a home which has fibre broadband infrastructure.

GREAT PLACES

We seek to create beautiful, successful places characterised by the quality of their design, external spaces, transport and access to jobs and amenities. These are places where people choose to live, work and spend their time and which directly encourage people's well-being and quality of life.

EFFICIENT AND CONSIDERATE OPERATIONS

We reduce the impact of the construction process on the local community by registering all of our sites with the Considerate Constructors Scheme. We set targets to reduce water, energy and waste. We work with our supply chain to ensure high quality services and materials are consistently provided.

A COMMITMENT TO PEOPLE AND SAFETY

Safety is a high priority on all of our construction sites. We also aim to have a positive impact on society and enable young and unemployed people to get into work through our support of the Berkeley Foundation.

We are committed to making a real and lasting difference to the communities we serve.

The Berkeley Foundation supports voluntary organisations in tackling long-term social issues in their local community. Working together, we help people choose a different life path, develop confidence and skills, and find hope for the future.

Since we established the Berkeley Foundation in 2011, we have committed many millions of pounds to hundreds of charities and organisations. A significant proportion of our donations are raised through the tireless efforts of our own staff.
