

SQP
LONDON E14

FACTSHEET

Berkeley
Designed for life

A CUT ABOVE THE REST

Welcome to South Quay Plaza,
the spectacular development by Berkeley.

A landmark building in every sense, SQP is a striking addition to London's iconic Canary Wharf skyline. Reaching 68 storeys, Valiant is the tallest of its three towers. In addition to this, both Harcourt and Burlington are 56 and 36 storeys respectively.

World renowned architects, Foster + Partners are responsible for both the external and internal design, creating an elegant new concept for urban living.

Set within 2.6 acres of beautiful landscaped gardens, a wide variety of plants and trees create an attractive and welcoming natural environment.

Every Berkeley home has been built to very high standards of design and quality, resulting in outstanding levels of award winning customer service.

AN URBAN OASIS

Nearly two thirds of the site is dedicated to green open space - the beautiful landscaped gardens will include play areas, seating and outdoor artworks. A variety of flowering and herbaceous plants have been selected to attract bees, birds and butterflies.

For SQP residents, this provides a welcome opportunity for outdoor relaxation. In a high-speed life, sometimes it's good to let the grass grow beneath your feet.

Valiant Tower at South Quay Plaza from South Dock

World class design by Foster + Partners, who have designed both the exterior and interior of the building

Perfectly located for South Quay DLR and just 500m from the Canary Wharf Jubilee line. When our proposals are approved, a new footbridge will connect SQP to Canary Wharf Crossrail station in under 4 minutes*

Residents become exclusive members of The Quay Club, offering five star facilities including a 20m pool overlooking the South Dock, health club and spa, gymnasium and treatment rooms

The 56th floor bar and terrace is one of the tallest residential bars in Europe and provides panoramic views across London

SQP will stand within 2.6 acres of beautiful landscaped gardens, something of a rarity in central London

Berkeley Homes is a multi-award winning developer and the only developer to win the Queen's Award for Enterprise for Sustainable Development twice.

THE DEVELOPER

Founded in 1976, Berkeley is a leading developer of outstanding homes, and has won numerous awards for quality design and customer service. The Berkeley Group was voted one of Britain's Most Admired Company's across all industries from 2012 to 2016 and Housebuilder of the Year in 2015 and again in 2016. In 2014, we won, for the second time, the Queen's Award for Enterprise and in 2015, we were the first house-builder in Britain to have 500 sites registered by the Considerate Constructors Scheme.

Quality is at the heart of Berkeley, not only in the homes we build and places we create, but in our commitment to customer service, green living and the regeneration of brownfield sites.

All our developments are designed to permanently enhance the neighbourhoods in which they are located, through excellence in design, sensitive landscaping, sympathetic restoration and impeccable standards of sustainability.

LOCATION

Over the last 20 years Canary Wharf has been transformed into one of London's most vibrant and varied neighbourhoods. With 16 million square feet of office, retail and leisure space, set among 20 acres of landscaped open space, it is home to many of the world's 'best' companies such as HSBC, Bank of New York and Citigroup. It has already overtaken the City of London as the UK's largest financial district and is set for further growth.

Its high-quality urban environment has been chosen by many premium retail brands, which form part of the neighbourhood's 280 shops, cafés, bars, restaurants, services and amenities.

The area's exceptional cultural and leisure offer is led by a year-round programme of over 100 activities and events covering art, comedy, dance, fashion, film, music, sport and theatre, most of which are free.

TRANSPORT LINKS

Canary Wharf is possibly London's best-served district for transport. Its Underground station (Jubilee line) is only a 500-metre walk from South Quay Plaza.

Directly opposite South Quay Plaza is South Quay DLR (Docklands Light Railway) station, only a short journey to London City Airport (the only airport situated in London itself) and Stratford International station, which connects to all the UK's Eurostar stations.

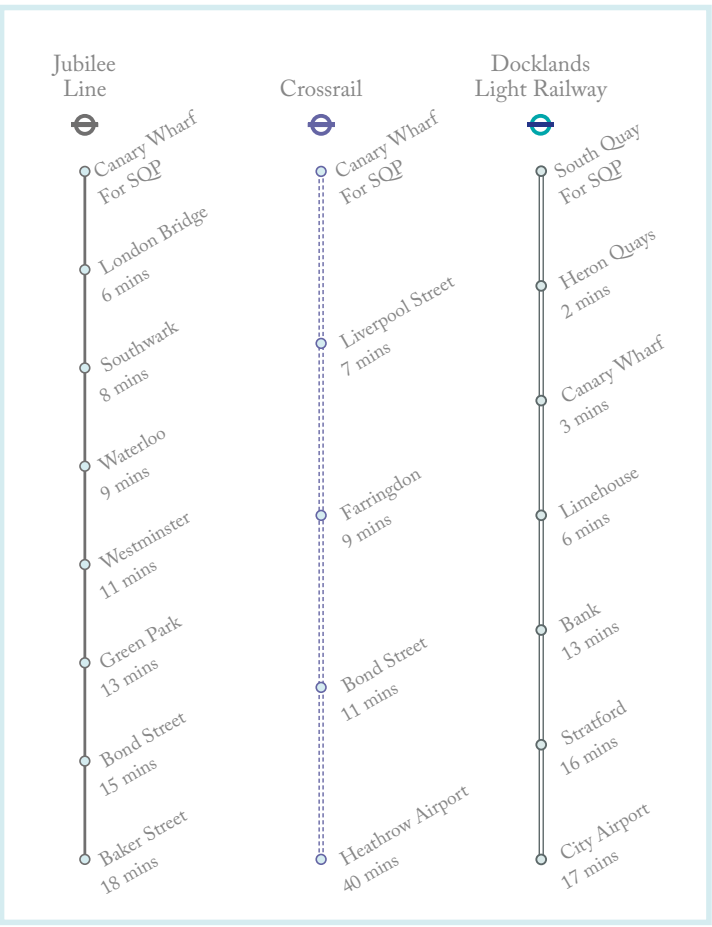

Opening in 2021, London's newest high-speed rail link, Crossrail, will provide quick access to the heart of the capital and beyond. Canary Wharf's Crossrail station will connect to Heathrow airport in 40 minutes and to 40 intercity terminals.

A short walk from South Quay Plaza is Canary Wharf Pier, which offers 4 peak ferry services an hour into Westminster, with a journey time of 26 minutes.

South Quay Plaza is located on the north side of South Quay DLR station, immediately south of the Canary Wharf estate.

Walking distance from South Quay Plaza:
