Commuters have two stations to choose from, both within easy reach.

Fleet Station is just a 6 minute drive from Hartland Village and offers a journey time to London Waterloo via Woking, of approximately 40 minutes. 8 minutes by car, Farnborough Main Station is only a little further away, and trains run from here to London Waterloo in as little as 36 minutes.

For non-London travel, Farnborough North Station is on the line to Reading (27 minutes) and Guildford (17 minutes). Road users will also find it easy to get around, with Junction 4a of the M3 only 10 minutes' drive from home.

All travel times and distances are approximate only.

Hartland Village is located on the edge of Fleet in the district of Hart, an area consistently voted as one of Britain's 'best places to live.'^{*}

As a county, Hampshire has even more to enjoy. The landscape includes two National Parks, the South Downs, the New Forest and the beaches of the south coast. Winchester is the county town, distinguished by its superb cathedral, while market towns such as Farnham and Romsey retain their historic appeal.

Numerous villages nestle amid the countryside, including Hartley Wintney, Crookham and Odiham. Historic and picturesque, these are places that epitomise the quintessential village lifestyle, with their welcoming communities and traditional pubs.

There are also countless ways to enjoy your leisure hours close to Hartland Village. Spend time in the natural beauty of Alice Holt Forest, Frensham Ponds and Fleet Pond; go sailing on Hawley Lake; or enjoy a family trip to Coral Reef Waterworld and the Lookout Discovery Centre. For something a little more sedate, Farnborough and Camberley each have a Vue Cinema, and in Fleet, The Harlington puts on a programme of music, film, comedy and panto.

Lifestyle imagery is indicative only.

Charming cafés, welcoming gastropubs, independent boutiques and bustling markets; the local shopping and dining scene has something for all tastes.

Between them, Fleet, Farnborough, Camberley, Farnham and the outlying villages offer an excellent choice of dining out. Local cafés serve traditional breakfasts, light lunches, wickedly tempting cakes and expertly made coffee. For an evening out or dinner with friends, there are upmarket gastropubs and independent restaurants such as Bel & The Dragon and Trattoria La Casa, and family favourites including Bill's.

Local shops feature unique businesses such as The Packhouse, a treasure house of vintage finds, antiques, original fashion accessories and gifts. Farnham has a monthly farmers' market, while you'll find a tempting range of independent food shops in the area such as Loaf bakery and Morgan's butcher in Farnham, and The Pickled Pepper Deli in Odiham.

For more comprehensive retail therapy and top high street brands, there is Guildford with its extensive range of shops. Large department stores in the area include M&S at The Meadows near Camberley.

A village
UNFOLDS

Lifestyle imagery is illustrative only

*The Village Centre will be the hub of Hartland Village,
the location for a range of services and shops,
as well as being the focus of local life.*

The attractively landscaped paved area will have outdoor seating. It will be a place where you can meet friends and neighbours, do some shopping and join community events.

The Village Centre will have over 25,000 sq. ft. of indoor space, so will have the potential to accommodate all the everyday facilities, healthcare, fitness and wellbeing, and local shops offering those everyday necessities.

As Hartland Village evolves, it will provide all the amenities and features that animate a development and turn it into a community.

HARTLAND
Country Park
HAMPSHIRE

Your own
COUNTRY PARK

Think of the Country Park as an extension to your own back garden. We've made sure there are plenty of activities and places to enjoy, from picnic and play areas to dog-trails, an eco-garden and even a bike area.

We're actively working to boost the number and species of plants and wildlife across the site, helping improve the air quality and creating a better environment for everyone's wellbeing.

Make your ENTRANCE

Step through your front door into a calm and stylish space, the gateway to your home.

The entrance hall is both welcoming and distinguished, making a wonderful first impression. Feel right at home as soon as you step through the front door into the light and spacious hallway, with its high quality finishes and design features that set the tone for the whole house.

The heart of THE HOME

Bright and spacious kitchens are designed as a cook's dream, with individual layouts, stylish cabinets, high-end appliances and beautiful flooring.

Beautiful finishes
STYLISH DETAILS

Relax in light-filled living spaces, where every detail is carefully considered and crafted to the highest standard.

The ultimate
SANCTUARY

Bedrooms are luxurious retreats, with soft carpet underfoot and well-considered space so that everything has its place.

ELEGANCE

and function combine

Bathrooms and shower rooms offer the perfect blend of form and function, with high quality sanitaryware and fittings, and a harmonious design palette for an elegant look.

Your own GREEN SPACE

Gardens feel like a natural extension of the homes, your own pocket of nature to enjoy as you wish, with plenty of room for children to let their imagination roam.

EXCEPTIONAL QUALITY

sustainable design

This is how we are ensuring sustainability at Hartland Village

People, planet, prosperity

Sustainability is fundamental to St Edward's ethos. In simple terms, we want to ensure the long-term health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at Hartland Village.

Nature and biodiversity

Parkland, trees, flowers, ponds, gardens - these are the fundamentals of a thriving natural environment that can be enjoyed by everyone. They are all part of our commitment to net biodiversity gain on our developments. Within and around Hartland Village, we have created natural habitats that encourage wildlife to flourish. In addition to the new 70 acre country park, we have translocated 2.6 acres of acid grassland, will be planting over 1,000 new trees, and are providing many new biodiverse features, including swift and bee bricks, butterfly banks and bird boxes.

Waste and recycling

We actively encourage all residents to reduce their waste wherever possible. We provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

Water efficiency

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

Energy efficiency

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, all lighting is low energy and kitchen appliances are energy efficient.

Noise reduction

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

Sustainable transport

Fleet, Farnborough Main and Farnborough North train stations are all local to the development. Trains from Fleet and Farnborough Main provide easy access to London and from Farnborough North there are direct links to Guildford and Reading. We offer a shuttle bus service in the mornings and evenings, transporting residents to and from the development and Farnborough Main station. The service is available Monday - Friday excluding Bank Holidays.* In addition to cycle paths across the development, and cycle storage for each home, communal electric vehicle charging points will be installed across Hartland Mews. This will encourage the use of more sustainable methods

of transport, to help reduce air pollution around the development and the wider area. These active methods of transport also help encourage healthier lifestyles.

Stewardship

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with RMG Estates and residents to ensure the development remains in pristine condition.

Future-proof design

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. For example, at Hartland Village all homes benefit from rainwater harvesting, whilst Sustainable Urban Drainage features, such as swales and ponds, will help manage surface water runoff and minimise risk of localised flooding.

*Terms and conditions apply. Please speak to a Sales Consultant for further information.

Buying a home is one of the most important decisions you will ever make. The qualities that make St Edward different mean that you can choose a new home from us with complete confidence. When you buy a home from St Edward you can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that you will enjoy an exceptional customer experience.

St Edward's vision is for Hartland Village to be a highly sustainable community, defined by our traditional values and woodland setting, yet firmly connected to modern life, with amenities such as Hyperoptic broadband, 21 times faster than standard broadband.

Homes are designed to high standards of sustainability with water and energy efficient features, recycling facilities and cycle spaces, while the external environment offers amenities for outdoor life and protected habitats for wildlife.

At Hartland Mews we will be installing swift and bee bricks at a number of locations to further boost biodiversity, whilst a number of electric car charging points will also be available in support of our commitment to sustainable travel.

100%

of timber used will be sustainably sourced

100 ACRES OF OPEN SPACE

including a new 70 acre Country Park and over 6 miles of trails

A new build home will save on average

£629

in electricity and heating costs per year compared to an older home

ACTIVE LIVING

Hartland Village will include sports, games and play areas, and a bike and scooter track

GREENER HOMES

energy efficient and highly insulated

95%

of our construction waste will be reused or recycled

SUSTAINABLE
living

DESIGNED *for life*

At St Edward, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need - well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions. And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two St Edward customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast - we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of St Edward developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from St Edward you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

For St Edward, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today, we build for the future too.

TRANSFORMING *tomorrow*

Photography of Hartland Village, lifestyle photography and Computer Generated Image are all indicative only

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our ten year plan which sets out how we will achieve this.

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

Please scan this QR code for more information on how we are TRANSFORMING TOMORROW

St Edward complies with the Consumer Code for Home Builders which ensures that home buyers are treated fairly, know what service levels to expect, are given reliable information upon which to make their decision and know how to access fast, low-cost dispute resolution arrangements if they are dissatisfied.

What is MYHOME PLUS?

MyHome Plus is a new online service designed to help you manage buying your new home at any time in any place.

BUYING PROCESS

This is a step-by-step guide to the Buying Process from reservation through to completion, moving in and warranty. At each milestone, the Buying Process section advises on the next steps so that you can be absolutely clear on your current position and what to expect next.

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

2. MEET THE TEAM

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can e-mail any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation. See the next steps section for further details on this.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up-to-date on the progress on site and the local area. Your Customer Relations Manager will issue regular updates and photographs to this section throughout your journey.

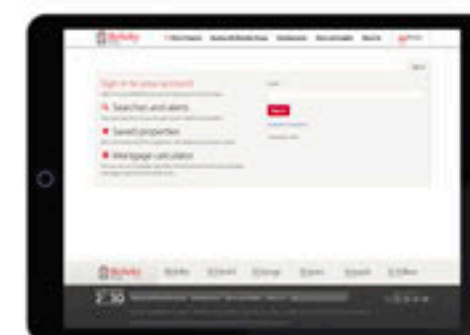

NEXT STEPS

1. GETTING STARTED

Your Sales Consultant will send you a link that you will need to activate to access MyHome Plus. The link will require you to set a password for access. Please note that for data protection reasons, the link is only valid for 24 hours. You are required to validate your account and change your password within 24 hours of receiving the e-mail, in order to access your personal property information and updates.

2. INTERIOR SELECTIONS

Customer Relations will then be in touch to invite you in to our Showhomes to view the interior selections available for the internal finishes that you have an option to select. If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Relations will need to receive your choices selection by the deadline date, which will be given in advance.

The information in this document is indicative and is intended to act as a guide only as to the finished product. Accordingly, due to St Edward's policy of continuous improvement, the finished product may vary from the information provided. These particulars should not be relied upon as statements of fact or representations and applicants must satisfy themselves by inspection or otherwise as to their correctness. This information does not constitute a contract or warranty. Hartland Village and Hartland Mews are marketing names and will not necessarily form part of the approved postal address. Applicants are advised to contact St Edward to ascertain the availability of any particular property. Hartland Village was granted planning permission on 13th July 2018 by Hart District Council. The Planning Application number is 17/00471/OUT. Phase 2 was granted planning permission on 6th May 2021. The Planning Application number is 21/00420/AMCON. Through the purchase of a property at Hartland Village, the buyer is acquiring a freehold house. Like any investment, purchasing uncompleted properties situated outside Hong Kong is complicated and contains risk. You should review all relevant information and documents carefully before making a purchase decision. If in doubt, please seek independent professional advice before making a purchase decision.
