

THE ORCHARDS

Hollyfields

HAWKENBURY • ROYAL TUNBRIDGE WELLS

Berkeley
Designed for life

WELCOME TO HOLLYFIELDS

Introducing The Orchards, an exclusive collection of one, two and three bedroom apartments in the tranquil development of Hollyfields. This charming countryside location is just 1.2 miles from Royal Tunbridge Wells town centre with its wealth of shops, restaurants and excellent transport links. Located in the village of Hawkenbury, the development benefits from the nearby convenience stores.

Hedgerows and ponds allow wildlife to flourish, while open green spaces and mature woodland close to the development provide ample opportunity for walks and other outdoor activities. Opposite the development, there is a cricket pitch, playground and sports facilities.

With Royal Tunbridge Wells train station within walking distance[†], or 6 minutes by our exclusive residents-only shuttle bus service^{††}, train journeys to London Bridge and Charing Cross take as little as 44 minutes[‡]. The motorway network and Eurostar are close by for national commuter coach and international travel.

St Peter's Church of England Primary School*, rated outstanding by Ofsted, is located at Hollyfields, providing a brand new school at the heart of the community.

THE ORCHARDS

The Orchards is located in the heart of Hollyfields close to one of the picturesque ponds, surrounded by the relaxing communal gardens.

In keeping with many of the homes at Hollyfields, The Orchards evokes the traditional local vernacular, with decorative brickwork and tile hanging to give the building distinctive character.

Each of the apartments has a private balcony or terrace, reached through double doors opening from the open plan kitchen/dining/living room. In the two and three bedroom apartments, the second bedroom could also be used as a

home office, ideal for those who choose to work from home. The interiors are contemporary, light-filled and elegant. All are finished with meticulous attention to detail and a modern specification. The kitchens have a full range of appliances, while the bathrooms are luxurious spaces with bespoke vanity units and quality sanitaryware. Wood-effect flooring, bespoke fitted wardrobes to bedroom one, and luxury bedroom carpets all add to the stylish and sophisticated finish of the apartments. All the apartments have allocated parking.

Floorplans shown for Hollyfields are for approximate measurements only. Exact layouts and sizes may vary. All measurements may vary within a tolerance of 5%. The dimensions are not intended to be used for carpet sizes, appliance sizes or items of furniture. Furniture layouts are indicative only. Kitchen layout indicative only. Electrical positions shown are indicative only. Please ask our Sales Consultants for further information. Floorplans have been sized to fit the page, as a result this plan may not be at the same scale as plans on other pages.

For the detailed specification, please contact our Sales Consultants. Your attention is drawn to the fact that it may not be possible to provide the branded products as referred to in the specification. In such cases, a similar alternative will be provided. *A number of choices and options are available to personalise your home. Choices and colour options are subject to stage of construction and availability. Berkeley reserves the right to make these changes as required.

DESIGNED FOR LIFE

AT BERKELEY, WE ARE COMMITTED TO CREATING GREAT PLACES WHERE PEOPLE LOVE TO LIVE, WORK AND RELAX.

WHERE THE HOMES ARE LIGHT-FILLED, ADAPTABLE AND FINISHED TO VERY HIGH STANDARDS. WHERE CAREFULLY PLANNED PUBLIC AREAS ENHANCE WELLBEING AND QUALITY OF LIFE FOR RESIDENTS AND VISITORS. WHERE PEOPLE FEEL A SENSE OF COMMUNITY.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year NHBC build warranty.

GREEN LIVING

For Berkeley, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.
