WELCOME TO KING'S ROAD PARK

Situated just 60 metres from the King's Road and close to the River Thames, King's Road Park is in one of London's most desirable locations. Perfectly located in Zone 2 and only a 10 minute walk from both an Underground and Overground station, this sought-after address is well connected and close to some of the very best amenities that London has to offer.

King's Road Park is a stylish collection of suites, 1, 2, 3 and 4 bedroom apartments and penthouses set within six acres of beautiful landscaping including a public

park, square and residents' garden. Well being and relaxation can be found all year round in 23,000 sq. ft. of residents' facilities designed in the style of a private members club.

King's Road Park, part of the South Fulham Riverside Regeneration Area, will provide over 1,800 homes and will see the restoration of two listed buildings, the worlds oldest standing gasholder set within the park and a new public square. 100,000 sq. ft. of commercial space will provide a choice of restaurants and retail.

St William has worked with a team of renowned architects, landscape architects and interior designers to create our vision for King's Road Park.

King's Road Park will be a fantastic place to live that celebrates everything London has to offer with landscape at its heart - all backed by the Berkeley Group and its commitment to quality, customer service and sustainability.
