SOUTH EAST LONDON'S RISING HOTSPOT

Lombard Square is a bold new chapter for Plumstead, a thoughtfully designed neighbourhood within the Royal Borough of Greenwich in one of South East London's fastest-growing areas, where regeneration and connectivity are unlocking long-term value.

In Transformation

Lombard Square is at the heart of some of London's most exciting destinations undergoing major regeneration.

>£5.2M

invested in transforming Plumstead High Street, Station, and redeveloping Plumstead Power Station into a vibrant cultural and commercial destination.

£45.6M

invested in Woolwich Works and over £25 million in the town centre, with Woolwich rapidly emerging as a cultural and creative hub.

£9BN

invested to transform Thamesmead into a vibrant, sustainable waterside community, London's largest regeneration project.

THE VALUE OF OUTSTANDING PUBLIC TRANSPORT

Lombard Square provides fast connections across the capital, with Plumstead Station and the Elizabeth Line at Woolwich just a short walk away.

Lombard Square holds a **PTAL rating of 6a**, placing it among the top-rated areas in London for public transport access.*

In a city where connectivity commands a premium, homes in high PTAL zones are especially desirable- reflecting the value of fast, frequent and flexible travel.

*PTAL (Public Transport Accessibility Level) ranks London locations from 0 (lowest) to 6b (highest) based on access and frequency of public transport.

THE ELIZABETH LINE

EFFECT

The Elizabeth Line has transformed the local area into one of London's best-connected and most in-demand locations.

Homes with strong Elizabeth Line access are highly sought after, driving sharp increases in demand, with homes near the line commanding a premium.

BUY SMART

Lombard Square offers strong value for money, with prices below premium benchmarks in both the wider borough and East London, giving buyers the opportunity to secure a home in a high-potential location at a relative discount.

With interest rates expected to ease gradually over the coming years, this will help market conditions become increasingly favourable for buyers.
