“ Lucarna is a respected & prestigious design studio based in the heart of London, creating bespoke interiors for the world’s most exclusive residences, for private clients, and residential developers alike.

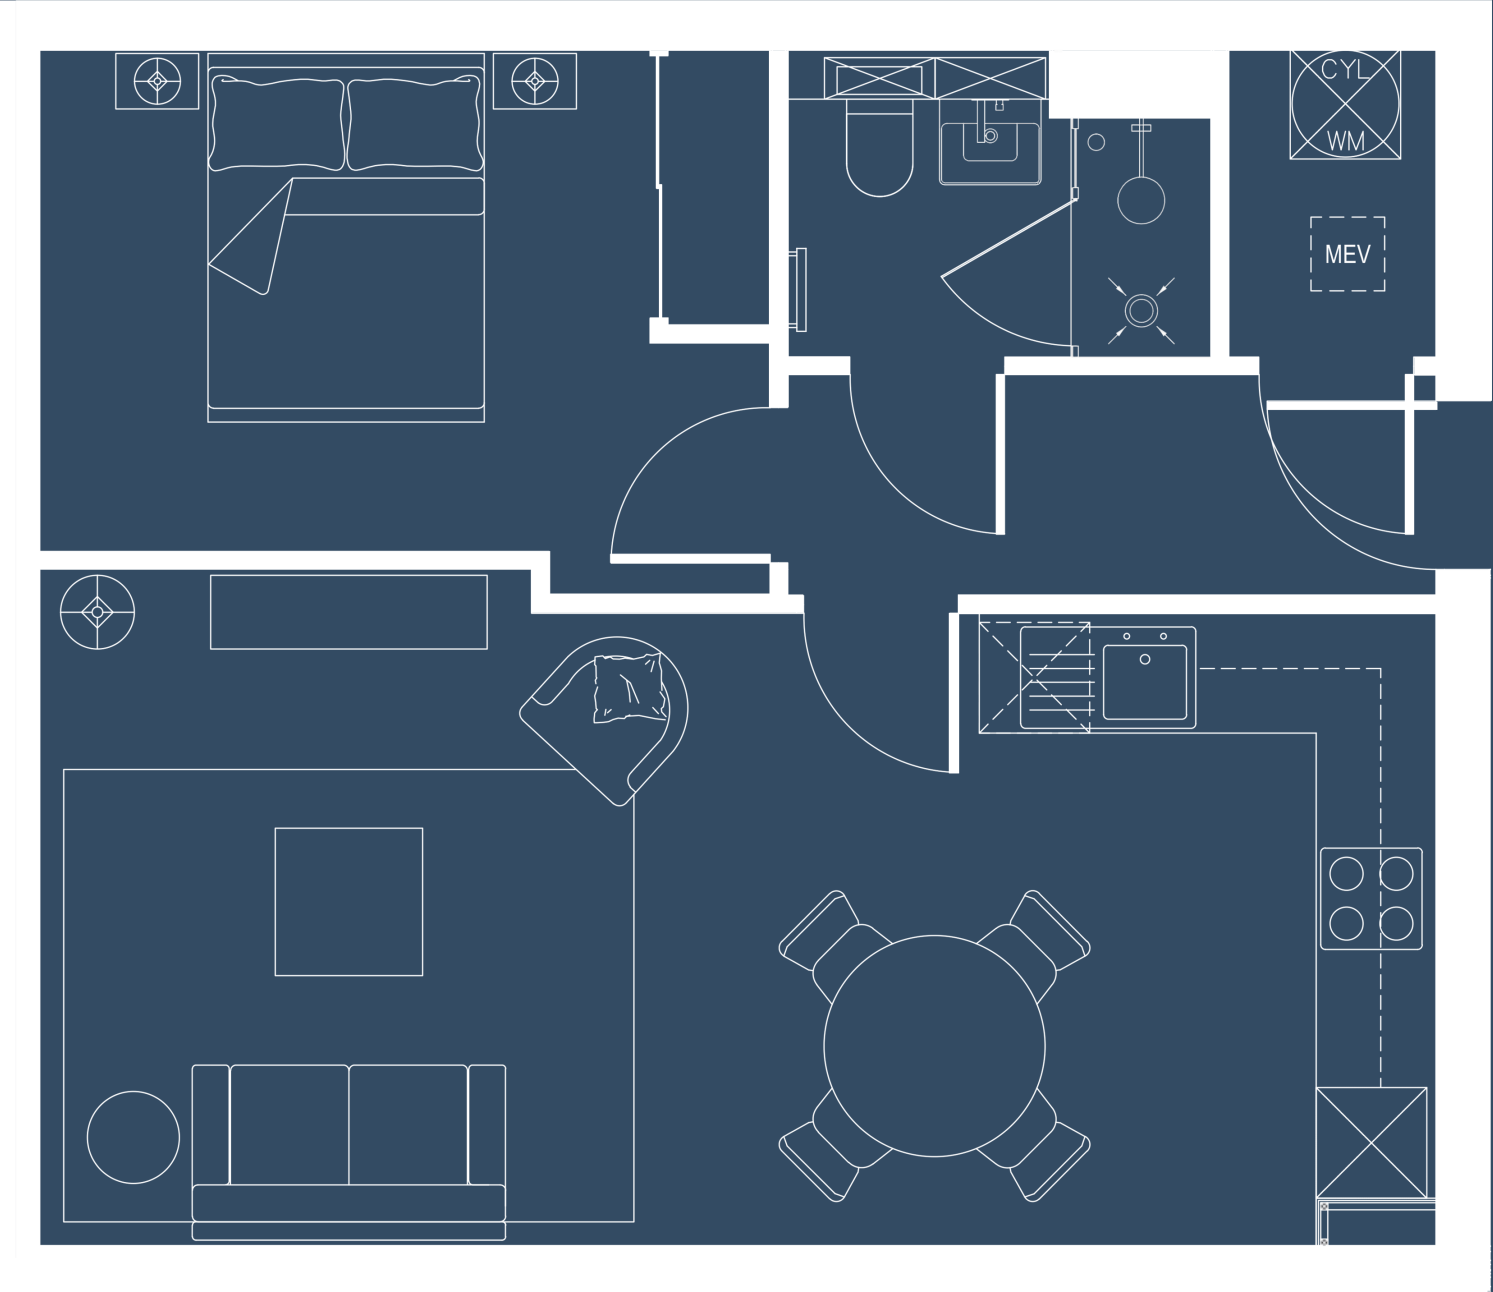

‘Design without limitation’ is the philosophy that embodies Lucarna. With 30 years of cumulative design experience, our attention to detail, alongside our commitment to building strong client relationships, has earned Lucarna an impressive reputation within the prime & super-prime property market across the United Kingdom, as well as internationally. ”
