SKYLINE LIVING

UNLOCK THE UNORDINARY

Three exclusive penthouses are now available at South Quay Plaza, offering unparalleled views over Canary Wharf and the River Thames. Perched high above the city, these residences feature expansive floor-to-ceiling windows, flooding the interiors with natural light and providing panoramic views over London.

HIGH END LIVING

With remarkable facilities, London at your feet, and every convenience moments away – yes, this is luxury. But it comes with a delightful twist. SQP is a home for those who expect more. More excitement. More connections. More moments of the unexpected.

When you live here, you truly unlock the unordinary.
So, come on in. It's more fun over here.

CANARY WHARF YOUR CITY PLAYGROUND

Immerse yourself in a retail experience to challenge any in London. Canary Wharf is literally your one-stop shop. Whether you're looking for chic fashion, traditional craftsmanship and tailoring, fine jewellery and watches, or health and wellbeing. There is something new around every corner from the world's biggest and most desirable brands.

THE FINER THINGS

1.

2.

3.

4.

5.

6.

1. Roka: 0.5 miles
Roka Canary Wharf is a sleek and contemporary Japanese restaurant known for its vibrant robatayaki grill, sophisticated cocktails, and stunning views of the city skyline.

4. Jubilee Place: 0.4 miles
Jubilee Place is a stylish shopping destination in Canary Wharf, featuring over 50 shops, cafes, and bars, along with easy access to public transport.

2. The Ivy: 0.6 miles
The Ivy offers a stylish and elegant dining experience, serving modern British classics with a touch of glamour, complemented by stunning riverside views.

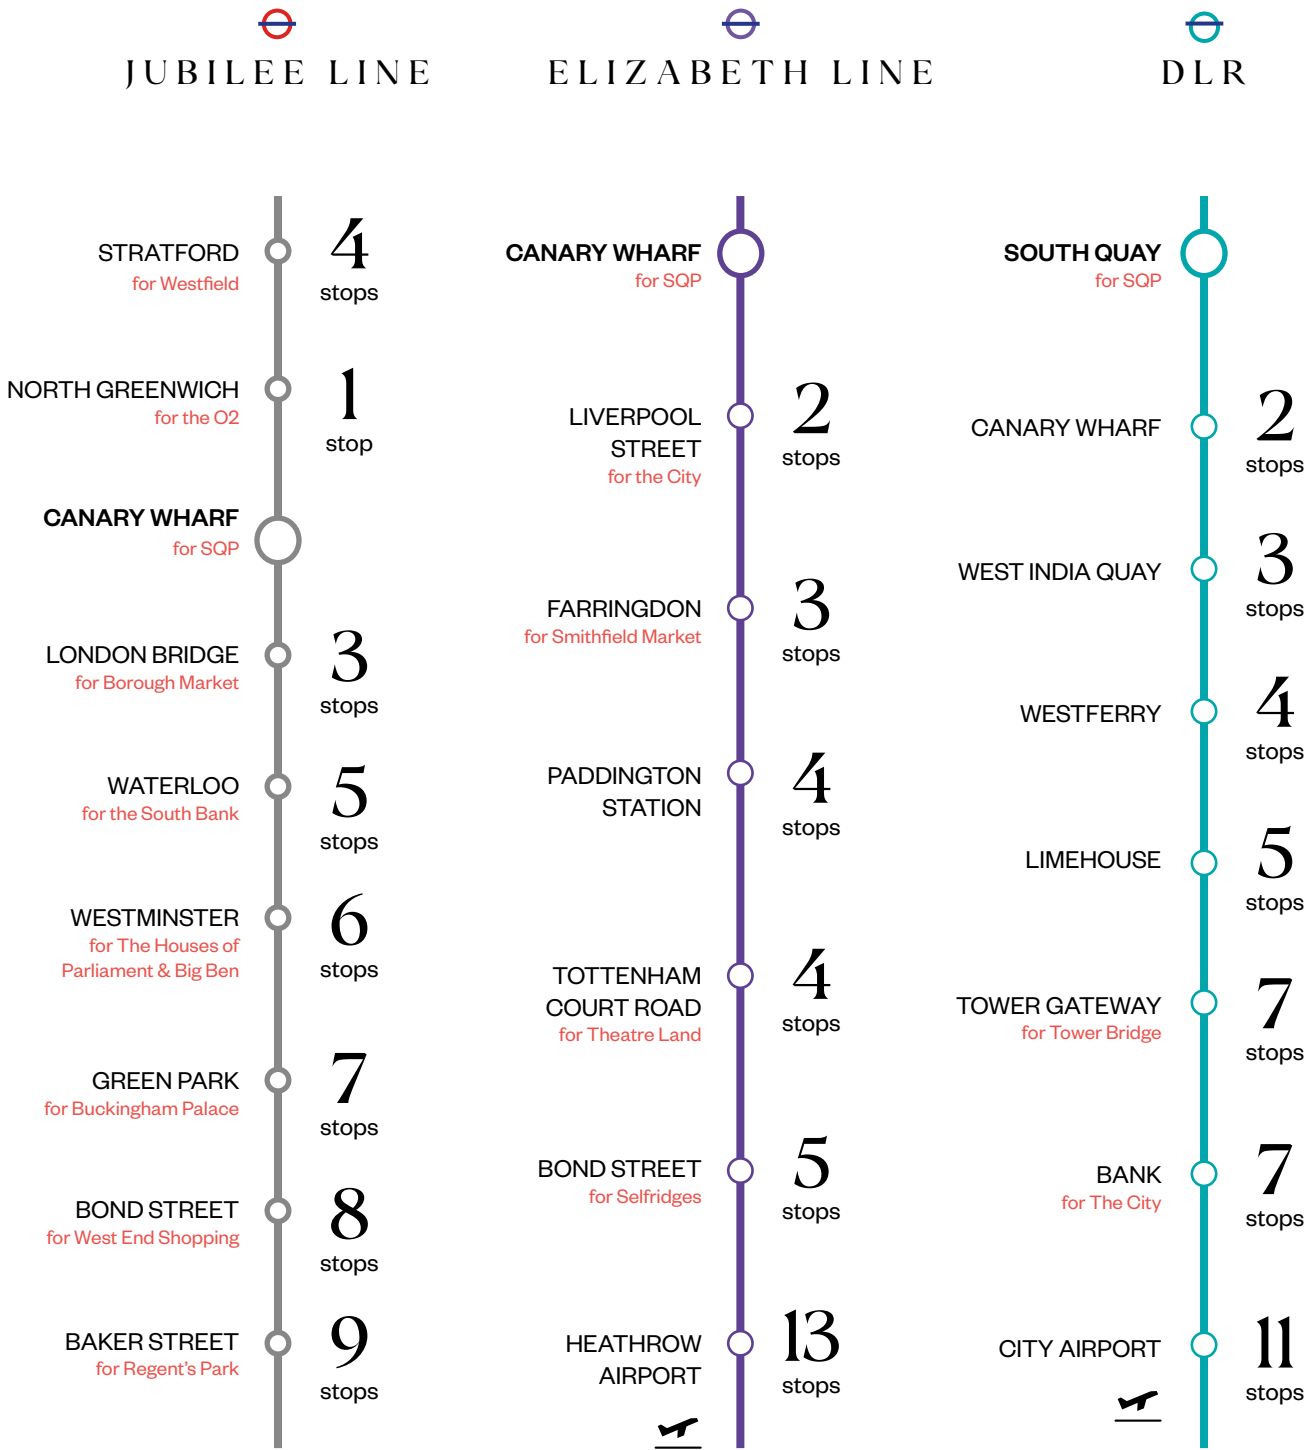

5. Dishoom: 0.6 miles
Dishoom is a popular restaurant known for its Bombay inspired dishes, offering a lively atmosphere and a menu full of flavorful, authentic Indian cuisine that has captured the hearts of food lovers.

3. Guacho 0.6 miles
Gaucha, an Argentine restaurant, delivers an exceptional dining experience with premium steaks, bold Latin flavors, and a carefully curated selection of wines

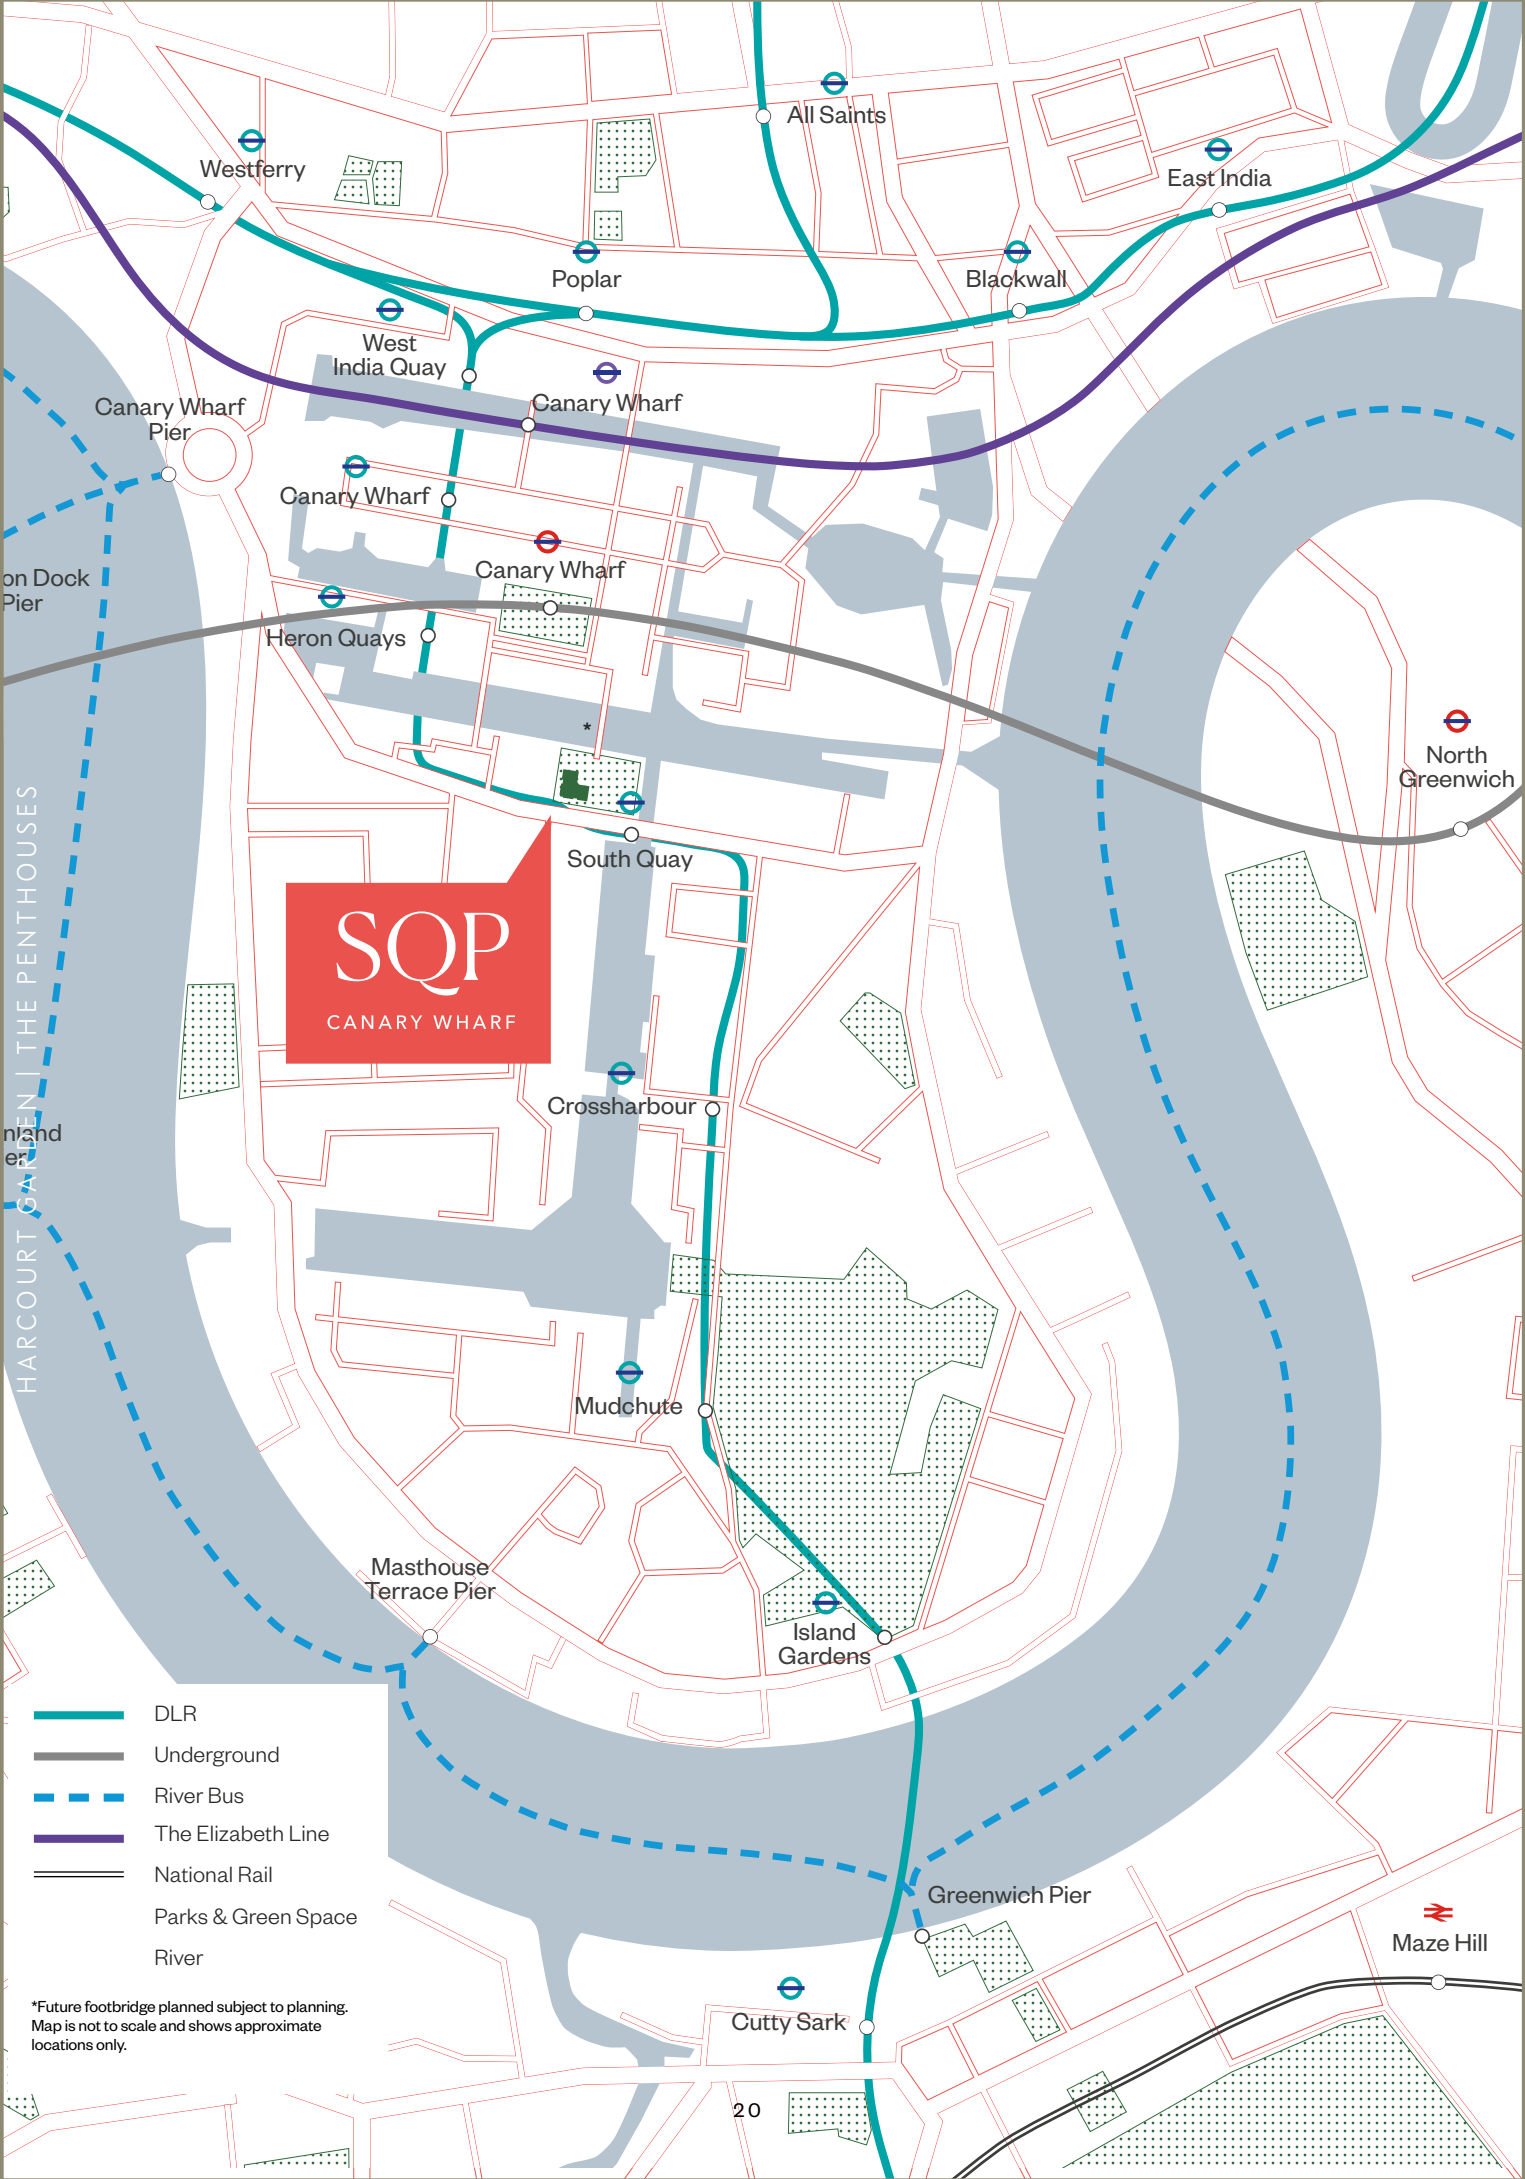

6. O2 Stadium: 5 miles
A world renowned entertainment venue in London, hosting a diverse range of concerts, sporting events, and live shows within its iconic, dome shaped structure

LIFE AT SQP

UNLOCK THE UNORDINARY

LIFE IN PERFECT HARMONY

SQP is large enough in scale and scope to be described as a residential quarter in its own right. The three buildings, Harcourt Gardens, Hampton Tower, and Berwick Tower, will collectively offer over 1,000 premium apartments, including Infinity Suites, 1, 2 and 3 bedroom apartments as well as a collection of penthouses. With new retail space on the ground floor, including bars, restaurants and local convenience stores, everything you need will be right there.

We are committed to high standards of both placemaking and placekeeping. Ensuring that SQP draws a community of residents who **don't settle for less**.

CAR PARKING

- Car parking spaces available by separate negotiation
- Access to underground car park via electronic entry system
- Electric car charging points are available
- Bicycle storage available

*Information was correct at time of printing. Subject to change.

**Colour palettes come in three unique styles created by the interior designer. One colour palette can be chosen for your new home and elements from each palette cannot be interchanged.

Your attention is drawn to the fact that in rare circumstances it may not be possible to obtain the exact products or materials referred to in the specification. Berkeley reserves the right to alter, amend or update the specification, which may include changes in the colour, material or brand specified. In such cases, a similar alternative will be provided. Berkeley reserves the right to make these changes as required. A number of choices and options are available to personalise your home. Choices and options are subject to timeframes, availability and change.

Colour options fall within three bespoke palettes and palettes cannot be combined. Sanitary ware comes in white, and all metalwork comes in a finish of polished chrome. One colour palette may be selected and will be installed throughout the apartment. Selection is subject to time frames. If a unit has not been reserved prior to fit out, default options will be chosen. Computer generated images are indicative only.

THE BERKELEY DIFFERENCE

We want to ensure that you are happy with every aspect of your new home, so we look after you at every stage with sound advice, attention to detail and continuous communication. From exchange of contracts, your dedicated Berkeley Customer Relations Team will help with any questions you may have.

AWARD-WINNING CUSTOMER SERVICE

From the day you reserve until the day you complete we'll update you regularly on progress. We're proud of our customer service level, recently receiving a Gold Award by Investor in Customers.

HIGH SPECIFICATION

Individually designed kitchens with high-quality appliances, and a carefully selected range of luxury choices and finishes allow you to personalise your home. Quality comes as standard in all our homes.

ATTENTION TO DETAIL

With over 45 years of experience, our expertise shines through in everything we do. From bespoke mirrors in the bathrooms to selecting the style of the kitchen cabinets and handles, our attention to detail is where we make a difference.

10-YEAR WARRANTY

For your peace of mind, our homes benefit from a 10-year guarantee. This is complemented by a warranty from Berkeley for the first two years and a dedicated Customer Service team on hand.

AWARD-WINNING

With a richly deserved reputation for quality, the Berkeley Group is proud to have won a number of prestigious awards including the UK's highest accolade for business success, the WhatHouse? Award and Housebuilder of the Year.

SUSTAINABILITY

Sustainability is high on any responsible builder's agenda. We promise to fully communicate the environmental features of our developments to all of our customers

* Homebuilders Federation, March 2023
**Based on developments that we have had planning permission for, started to sell and started to build
Correct at time of print

SUSTAINABILITY

This is how we are ensuring sustainability at South Quay Plaza.

PEOPLE, PLANET, PROSPERITY

Sustainability is fundamental to Berkeley's ethos. In simple terms, we want to ensure the long-term health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at South Quay Plaza.

NATURE AND BIODIVERSITY

Parkland, trees, flowers, living roofs, ponds, hedges, gardens – these are the fundamentals of a thriving natural environment that can be enjoyed by everyone, even in the heart of the city. Within and around South Quay Plaza, we have created natural habitats that encourage wildlife to flourish.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. In addition to external recycling bins, we provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily. Individual homes and apartment buildings also benefit from rainwater harvesting, which is used in gardens and landscaped areas

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, and have been fitted with mechanical ventilation units with heat recovery (MVHR). All lighting is low energy and kitchen appliances are selected to deliver high levels of energy efficiency.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment. We have enhanced insulation to reduce sound from the neighbouring DLR.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout South Quay Plaza we have planted trees, shrubs and flower beds to help create a cleaner air environment. Within our homes we also provide Mechanical Ventilation with Heat Recovery (MVHR).

SUSTAINABLE TRANSPORT

South Quay DLR station is 70m away, Canary Wharf Underground 650m, nearest bus stop 160m and Canary Wharf Elizabeth Line is 1,100m away. We also provide secure cycle parks and car charging points to encourage the use of sustainable methods of transport, to help reduce air pollution around the development and the wider area. In Harcourt Gardens there will be 604 cycle storage spaces provided for residents and 12 private EV charging spaces. Promoting walking and cycling as methods of transport also help encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with POD and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure our homes and developments are more resilient to these extremes to understand how we can adapt to future climate change in our future designs.

* Source: based on the results of the 2021 customer survey by InHouse research.

** Based on developments that we have had planning permission for, started to sell and started to build.

Correct at time of print.

DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

Photography depicts Trent Park, Goodman Fields and Woodberry Down

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well built homes, in a pleasant and safe neighbourhood, with plenty of nature, amenities and good transport connections. Then we apply that understanding to all our planning and design decisions. And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10 year build warranty.

GREEN LIVING

We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, promote recycling and enable residents to choose sustainable transport options.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.
