LIFE IS ABOUT FINDING THAT PERFECT PRIVATE SPACE.  
YOUR NEST, YOUR HOME, YOUR HAPPY PLACE.

LIFE'S WHEN IT FEELS 'JUST RIGHT'. WHEN YOU SEE EVERYDAY  
THINGS IN A BRAND NEW LIGHT. WHERE DAYS OUT BECOME NIGHTS  
OUT, AND BRILLIANT MEMORIES ARE WHAT IT'S ALL ABOUT.

WHERE TIME FLIES, THE GOOD TIMES THRIVE AND THE GREAT  
OUTDOORS MAKES YOU FEEL ALIVE. WHERE YOU MEET, WHERE YOU  
EAT, WHERE YOU SHARE AND RETWEET. LIFE'S WHEN YOU JUST KNOW  
THAT YOU'VE MADE THE RIGHT MOVE. WHEN THERE'S NOTHING  
YOU WOULD OR COULD IMPROVE.

LIFE'S WHERE YOU ARE RIGHT NOW AND WHERE YOU WANT TO BE.  
JUST MAKE SURE YOU STOP, LOOK AROUND AND ENJOY THE JOURNEY.

**WELCOME TO THE ARCHES, A COLLECTION OF 92 SUITES, ONE AND TWO BEDROOM APARTMENTS LOCATED MOMENTS AWAY FROM THE ESTABLISHED TOWN OF BUSHEY IN HERTFORDSHIRE, WHICH OFFERS QUICK AND EASY ACCESS INTO LONDON EUSTON WITHIN 19 MINUTES\*.**

Delivered by St William, part of the Berkeley Group, the new homes provide contemporary interiors and highly-desirable outside space, with private balconies or terraces to each apartment. Residents also enjoy exclusive access to landscaped grounds and gardens.

Nearby transport connections are excellent. Bushey Rail Station is an eight-minute walk and Watford High Street a 15-minute walk, with frequent services to London Euston in under 20-minutes. The M1 and M25 motorways provide easy access to surrounding towns, such as London and St Albans.

The leafy town of Bushey is home to many independent shops and restaurants, whilst Watford boasts major shops and amenities on the High Street. Residents will also benefit from the area's extensive green spaces. Twelve of Watford's parks have been awarded Green Flag status, an award given to the best parks in the country.

# Our Difference

ST WILLIAM IS A JOINT VENTURE BETWEEN  
THE BERKELEY GROUP AND NATIONAL GRID.

Our vision is to develop sites that have been closed to the public for decades and reconnect them to the community. We want the places built by St William to be renowned for the quality of their landscape and the open space. The term 'landscape' comes from two words meaning 'to shape a place where people belong'.

That idea inspires our approach. The space between buildings is where you create a community and somewhere that is sociable, sustainable and safe.

We believe beautiful landscaped open spaces give room to breathe, and sit in harmony with our vision for the carefully considered architecture and thoughtfully designed interiors throughout our developments. To pioneer a landscape led approach to urban developments is hugely important to us. We truly believe these spaces between the buildings are as important as the buildings themselves, where one's well-being within that space can be emphasised through positive design.

Backed by the strength and expertise of National Grid and the Berkeley Group, St William will regenerate sites at the heart of communities across London and the South of England, creating homes for people to enjoy.

## AT ST WILLIAM, WE ARE COMMITTED TO CREATING GREAT PLACES WHERE PEOPLE LOVE TO LIVE, WORK AND RELAX

Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

## CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions. And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

## CHOICE AND DIVERSITY

No two St William customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

## QUALITY FIRST TO LAST

Quality is the defining characteristic of St William developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

## GREEN LIVING

For St William, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

## COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

# A commitment to the future

Berkeley Group is a responsible organisation, wholly committed to being a world-class business, as defined by the quality of places we create, the value they generate for people, communities and the environment, and their positive long-term impact on society. We set ourselves the highest standards in the industry for design, construction, safety and efficiency.

Our Vision, a strategic plan for the business, is designed to raise our standards higher still. Our Vision is reviewed every two years, following objective analysis and discussion of the key industry, national and global issues that are most relevant to our customers and supply chain.

Our Vision focuses our attention on five key business areas.

- Customer experience
- Quality homes
- Great places
- Efficient and considerate operations
- Commitment to people and safety

OUR VISION

TRANSFORMING TOMORROW

## THE BERKELEY FOUNDATION

We are committed to making a real and lasting difference to the communities we serve.

The Berkeley Foundation supports voluntary organisations in tackling long-term social issues in their local community. Working together, we help people choose a different life path, develop confidence and skills, and find hope for the future.

Since we established the Berkeley Foundation in 2011, we have committed many millions of pounds to hundreds of charities and organisations. A significant proportion of our donations are raised through the tireless efforts of our own staff.
