THE
Verdant
COLLECTION

THE
Verdant
COLLECTION

ELEVATED LUXURY

The Verdant is an elite collection of four exquisite penthouses that crown Evergreen Point, the first phase to be completed at TwelveTrees Park. Each penthouse has a terrace with views towards London’s iconic skyline, parkland or low level residential housing to the East and the stunning gardens that grace TwelveTrees Park. A superior specification, exceptional quality finish and a location conveniently close to London’s main business, financial and entertainment hubs, make these 3-bedroom penthouses the ideal city home.

03

Five rail and tube lines, including a new underground station entrance on site, connect TwelveTrees Park to key destinations in the Capital. The City, Canary Wharf, Stratford and the West End can all be reached in just a few minutes.

Westfield Shopping Centre, Stratford.

Lifestyle image, indicative only.

For designer brands and high street shopping, head to Bond Street (22 minutes) or Westfield (3 minutes), one of Europe's largest malls with 250 shops and 65 restaurants. Prestigious schools, including 12 of the top 100 UK universities, are less than 30 minutes away.

Journey times taken from 6.30am and are approximate only.

LIVE CONNECTED
to Nature

Relax and unwind in the 12 acres of green, open space, including private courtyard gardens and the 4.5-acre WiFi-enabled park that runs through the heart of TwelveTrees Park. Planted with native tree species and flowers that provide year-round colour, this is a very special place to be at one with nature.

LIVE CONNECTED
to Home

Luxuriously spacious interiors are the hallmark of these prestigious 3-bedroom penthouse homes. Meticulous attention to detail and outstanding quality of finish are apparent throughout.

The views from your private terrace are breathtaking – The City skyline, the pyramid atop Canada Square at Canary Wharf, the iconic ArcelorMittal Orbit in Stratford or the beautiful linear park. It's the perfect spot for entertaining family and friends.

Living Areas /

The Verdant Collection provides the luxury of light-filled, modern, open-plan living. With a dual aspect layout, breathtaking views can be enjoyed from the dining space and the sitting room area. Glazed doors open onto the private terrace, a spectacular feature which is ideal for alfresco gatherings.

10

11

Bedrooms /

The floor-to-ceiling windows allow for maximum light in to the bedrooms, emphasising their spacious and light-filled layout. Fitted wardrobes provide an elegant solution to your storage needs. In bedrooms 1 and 2, a few steps across the sumptuously carpeted floor takes you to the luxurious ensuite.

KITCHENS & bathrooms

This contemporary colour palette is focused on the classic contrast of light and dark. In the kitchen, the Nero Oak cabinets form a complementary partnership with the clean lines of the quartz worktops. This is reflected in the bathroom where the bespoke vanity unit stands beside the Italian ceramic tiles, complemented with the mosaic feature tiles.

Quartz

KITCHEN

- Units are 'Nero Oak'
- Cosentino silestone quartz lagoon worktops
- Brushed stainless steel finishes
- Siemens appliances
- Washed oak engineered wood flooring
- State-of-the-art Elica or touch control induction hob with inbuilt extractor fan

Computer generated image, indicative only, subject to change.

Computer generated image, indicative only, subject to change.

Quartz

BATHROOM

- Porcelain floor and fully tiled walls
- Bespoke joinery and vanity unit
- Brushed stainless steel brassware finishes
- Heated towel radiator

Computer generated image, indicative only, subject to change.

Emerald

BATHROOM

- Porcelain floor and fully tiled polished porcelain walls
- Bespoke joinery and vanity unit
- Gold colour brassware finishes

KITCHENS & *bathrooms*

This exquisite palette exudes luxury but with a modern finish. Inspired by the world's finest jewels and marbles, the deep sage greens contrast beautifully with the crisp Calacatta gold worktops with gold finishes that pop against the quartz stone. In the bathrooms, the rich porcelain marble effect is complemented by gold finishes and a feature joinery cupboard.

Emerald

KITCHEN

- Sage green cupboards and tall units
- Cosentino silestone quartz Calacatta gold worktops
- Gold colour finishes
- Siemens appliances
- Washed oak engineered wood flooring
- State-of-the-art Elica or touch control induction hob with inbuilt extractor fan

Computer generated image, indicative only, subject to change.

KITCHENS & bathrooms

This deep, sophisticated palette reflects a modern and metropolitan lifestyle. The charcoal worktops contrast to the sand coloured units bringing an earthy yet rich feel to this palette. The bathrooms offer modern luxury with a Marmi deep grey tile taking prominence. This colour combination will never go out of fashion.

Onyx

KITCHEN

- Focus 'sand' cupboards and tall units
- Cosentino silestone quartz in the colour charcoal soapstone
- Gunmetal finishes
- Siemens appliances
- Washed oak engineered wood flooring
- State-of-the-art Elica or touch control induction hob with inbuilt extractor fan

Computer generated image, indicative only, subject to change.

- / Warranty under Premier Guarantee

Car Parking

- / Access to car park via electronic entry system
- / Car parking spaces available by separate negotiation
- / Electric car charging points are available
- / Bicycle storage available

Designed for Life

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance wellbeing and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that’s a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

For Berkeley, sustainability isn’t simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That’s why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity.

All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

Our homes are designed for the future and include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods to create a more sustainable, eco-friendly way of life for you and the environment.

Sustainability

This is how we are ensuring sustainability at TwelveTrees Park.

PEOPLE, PLANET, PROSPERITY

Sustainability is fundamental to Berkeley’s ethos. In simple terms, we want to ensure the long-term health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at TwelveTrees Park.

NATURE AND BIODIVERSITY

Parkland, trees, flowers, green roofs, ponds, hedges, gardens – these are the fundamentals of a thriving natural environment that can be enjoyed by everyone, even in the heart of the city. They are all part of our commitment to net biodiversity gain on our developments. Within and around TwelveTrees Park, we have created natural habitats that encourage wildlife to flourish. We are working with HTA Architects to engage residents in the natural landscapes that we have created.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. In addition to external recycling bins, we provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, and have been fitted with mechanical ventilation units with heat recovery (MVHR). All lighting is low energy and kitchen appliances are A++/A+/A rated.

NOISE REDUCTION

We can’t eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout TwelveTrees Park we have planted trees, shrubs and flower beds to help create a cleaner air environment. Within our homes we may provide mechanical ventilation to filter the internal air.

SUSTAINABLE TRANSPORT

Five major transport lines serve West Ham. We also provide cycle paths, secure cycle parks and car charging points to encourage the use of sustainable methods of transport, to help reduce air pollution around the development and the wider area. These active methods of transport also help to encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with managing agents and residents to ensure that the development remains in pristine condition encourage healthier lifestyles.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure that our homes and developments are more resilient to these extremes to understand what new innovative technologies we should use in our future designs.

TRANSFORMING *tomorrow*

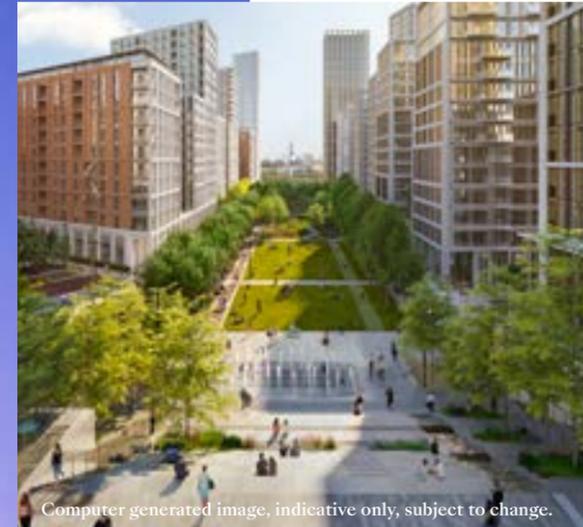

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our ten year plan which sets out how we will achieve this.

Computer generated image, indicative only, subject to change.

Computer generated image, indicative only, subject to change.

TRANSFORMING *places*

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

Computer generated image, indicative only, subject to change.

TRANSFORMING *lifestyles*

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

Computer generated image, indicative only, subject to change.

TRANSFORMING *nature*

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING *futures*

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

Please scan this QR code for more information on how we are TRANSFORMING *tomorrow*
