LEVEL 2

THE ARTISAN TOWER

YOUR QUESTIONS, ANSWERED

CAN I PARK MY CAR?

Situated on the basement level, there are 55 spaces and 6 private garages. The 55 spaces will be unallocated – 36 of these are for sale as RTPs and 19 are currently allocated for shared ownership.

The car park is serviced by two car lifts which operate at a speed of 1 meter/per second and the shutters to the car lifts will be operated using number plate recognition. Each car lift is 2600mm wide x 8270mm deep x 2200mm high.

There is a traffic light system at basement level controlling the car lifts, and the expected wait time including dwell time/door close and travel is approximately 2 minutes.

Electric car charging will be available in a number of parking spaces, and the energy usage is monitored, billable to the user.

The basement has sprinkler systems in place. Right To Park (RTP) can be purchased for £60,000 for selected 3 bedroom apartments only and is subject to availability.

Purchased car parking spaces will be subject to an annual service charge of £980 per space. This may be subject to review and change between now and date of completion, and is likely to rise in line with the Retail Price Index (RPI).

IS THERE A PRIVATE GARAGE?

Within the basement car park there are also a number of garages with painted blockwork walls and concrete floors. Each have a power meter water supply and a gully for wash down facility. A roller shutter door with wireless safety edge and both key switch and remote control operation is provided.

Residents using the private garages will be charged an annual service charge of £1440 per annum.

IS THERE A CYCLE PARK?

The cycle store for The Artisan Tower is located on the ground floor of Indigo House. The store has a two-tier bike rack, which is gas assisted for ease of use. A total of 203 spaces are designated to The Artisan Tower, 10 of which will be accessible.

The door will have secure access using an electronic lock. A bike repair & pump station will be provided.

WHERE DO I COLLECT MY POST / PARCELS?

There is a parcel/post store located at the concierge desk (to the right-hand side of the main entrance). Post will be delivered here for residents to collect. Parcels can be also be held in this area and the resident will be notified to collect.

DELIVERIES

There is a ground floor service area in the centre of Indigo House. All deliveries will be via this service point. Supermarket/oversized package delivery drivers will need to park at this location at a pre-arranged time slot, managed through concierge and deliver their payload on foot from that point.

Parcel storage within The Artisan Tower should be large enough to accommodate all parcels for residents within the building. In which the Concierge will oversee.

FOOD DELIVERIES

Food deliveries at The Artisan Tower are made via the concierge and can be delivered directly to the front door of the home.

REFUSE & RECYCLING

The refuse and recycle store for The Artisan Tower is located at basement level. The Estate Management team will service this room on a daily basis transporting refuse and recycling to the central pick-up point in Indigo House, as part of the Estates Management service.

GLASS/FACADE CLEANING

Glazing to apartments with balconies and terraces should be cleaned by the resident. All other glazing to apartments without access to terraces or balconies will be cleaned using a Building Maintenance Unit (BMU). This will take place twice yearly. This will be cleaned externally using a cradle system. The façade cladding will be cleaned using this cradle system within the same visit.

ENERGY / HEATING

Apartment heating & cooling will be delivered using Variable Refrigerant Flow (VRF) fan coil units located in the ceilings with wall mounted temperature controllers in each room.

This will be supported with electric underfloor heating and electric towel radiators to bathrooms/en suites with individual controllers located in the utility cupboard. Hot water shall be provided with direct electric hot water storage cylinder.

There will be a separate monthly bill based on electrical consumption for the energy used by the VRF. Comfort Cooling and Heating services.

GLASS REPLACEMENT

There are a mix of window types within The Artisan Tower – the approach to glazing replacement will be conducted internally where possible. For example, on the sliding doors within the lower level apartments.

There is a Building Maintenance Unit (BMU) located on the roof which will be used to replace glazing externally where it cannot be accommodated in the lift. For example, the large corner windows and the floor to ceiling glass on the top four levels. Maintenance to the façade would be carried out using the BMU cradle.

FIRE STRATEGY

The building has been designed to operate a 'Stay Put' policy.

An evacuation alert system has been installed to each apartment which allows the fire service to evacuate the building, in the event they decide to do so, sounders will be located above the front door.

Two staircases have been provided: one staircase for the fire service and one for evacuation purposes, if this is deemed to be required.

There are 3 lifts in The Artisan Tower. 1 lift has been designed for firefighting and 1 lift has been designed for evacuation.

All communal corridors have fitted sprinkler systems.

All apartments have fitted sprinkler systems.

All apartments are fitted with smoke and heat detectors.

THE LIFTS AND LOBBIES

There are 3 No x 13 person lifts operating from Basement to Level 34.

Speed of travel : 2.5 m/s. 40 seconds travel from Ground to Level 34.

Lift car is 1300mm x 1700mm x 2300mm high. *Lift car sizes may vary and are subject to lift specification.

The lift lobby features a black marble tiled border framing inlaid carpet.

Concierge and residential amenities lift lobbies will be panelled in wood with brushed brass trims and detailing. They will also include feature brass wall lights adding elegant mood lighting further enhancing the spaces.

COMMUNAL FLOOR LOBBIES / APARTMENT FRONT ENTRANCE

Carpet runs wall to wall in ante-lobbies.

Accent lighting is provided by wall or picture lights with a feature light above each front door.

Bespoke front door with reeded wooden panels is recessed within a deep wooden frame with bronze effect doorhandle and security eyehole.

Apartment number and doorbell are designed into the front entrance door set.

CEILING HEIGHTS

Living Room/Dining Room: 2500mm

Bathrooms and Hallways: 2350mm

Under bulkhead areas in bedrooms and kitchen 2350mm.

Ceiling heights provided are general and may vary in other parts of the apartment.

LANDSCAPING

The development benefits from a landscaping scheme designed in partnership with landscape consultants. The design incorporates the former Surrey Iron Railway and rich history of the location.

Surviving historical items have been featured in the scheme as a way of celebrating the history of the area. A unique and interactive heritage trail will preserve and showcase the artefacts for all to enjoy.

With 210m of landscaped riverbank and 70 newly planted trees, the site is a rich, biodiverse environment - including bee, bat and insect habitats within the scheme.

PETS

Residents are allowed pets within the building with a valid pet licence. However, residents will be required to apply and pay an administration fee to obtain a pet licence.
