

A blue-tinted photograph of a graduation ceremony. Numerous black mortarboards are being tossed into the air, creating a dynamic pattern against a light sky. In the foreground, the silhouettes of graduates in black gowns are visible, with their arms raised and hands reaching towards the falling caps. The overall mood is celebratory and hopeful.

The information in this document is indicative and is intended to act as a guide only as to the finished product. Accordingly, due to Berkeley's policy of continuous improvement, the finished product may vary from the information provided. These particulars should not be relied upon as statements of fact or representations and applicants must satisfy themselves by inspection or otherwise as to their correctness. This information does not constitute a contract or warranty. The Westmark is a marketing name and will not necessarily form part of the approved postal address. Applicants are advised to contact Berkeley to ascertain the availability of any particular property. The dimensions given on plans are subject to minor variations and are not intended to be used for carpet sizes, appliance sizes or items of furniture. Area measurements in this document are given as Gross Internal Area (GIA). Measurements include areas occupied by upstands, plinths, protrusions, ceiling bulkheads, glazing mullions for full-height glazing, (measured to the internal face of the glazing, not mullion), skirtings, plaster and other in situ wall finishes, cornices and the like. Where a wall is made up of both full-height glazing and other external walling structure, dimensions are taken to the surface of both structures. R137/CA23/0821
