WELCOME TO WOODBERRY DOWN

Woodberry Down is an award-winning Zone 2 waterside community delivering over 6,400 new homes, where city living and nature exist in perfect harmony. Framed by 42 acres of tranquil reservoirs and 15 acres of landscaped green space, it offers a rare balance of serenity and connectivity. With excellent transport links and a vibrant mix of local amenities, Woodberry Down provides a truly modern lifestyle in a stunning natural setting.

ZONE 2 WATERSIDE LIVING

Since construction began in 2009, multi award-winning Woodberry Down has grown into one of Europe's largest and most successful regeneration schemes.

With place-making at the heart of our ethos, we have created a waterside community moments from central London where people can truly live, connect and thrive.

WOODBERRY DOWN

Finsbury Park

FINSBURY PARK

 5 Minutes  2 Minutes

Finsbury Park is a vibrant 115 acre Victorian public park on the doorstep of Woodberry Down, offering a variety of recreational activities, beautiful gardens, and a picturesque boating lake.

TENNIS COURTS

Finsbury Park Tennis Courts run an all year coaching programme for those who want to socialise, play competitively, get some exercise or just dip their toe in the water. All abilities welcome.

ATHLETICS TRACK

The athletics track in Finsbury Park is being used not only by local athletics clubs but also by many local schools (from Hackney, Haringey and Islington) for their sports days as well as local residents.

RUGBY

The North London Tag Rugby Club runs sessions every Saturday morning for all abilities. Tag rugby is fast moving, high scoring and engages all level of players.

BASEBALL

Finsbury Park is home to the London Mets Baseball Club, where both youth and adult teams, including the top-level National Baseball League teams, play competitively on weekends, fostering a growing love for baseball in the UK.

BOATING LAKE

A free, fun, and friendly weekly 5k community event. Walk, jog, run, volunteer or spectate – it's up to you!

STOKE NEWINGTON

 16 Minutes  3 Minutes

Stoke Newington is a trendy London neighbourhood known for its vibrant mix of indie boutiques, artisan cafés, and lively arts scene. With its blend of historic charm, diverse dining, and creative energy, it's a sought-after spot for young professionals and creatives alike.

Clissold Park

WHOLE FOODS

A go-to spot for those seeking organic and ethically sourced groceries. Shoppers can find everything from fresh produce to health-conscious snacks, making it an ideal choice for mindful eating.

FARMERS MARKET

Stoke Newington Farmers Market is a weekly all-organic market held every Saturday from 10 a.m. to 2:30 p.m. at St. Paul's Church.

THE GOOD EGG

A vibrant neighbourhood spot in Stoke Newington, serving Middle Eastern-inspired brunch, fresh breads, and bold flavours - perfect for relaxed mornings, long lunches, or sharing small plates with friends.

RYANS N16

This cocktail spot features a spacious beer garden, the perfect spot for enjoying drinks with friends or a casual meal. Plus, there's a teeny live music venue hidden downstairs!

AUN

Aun is a vibrant restaurant in Stoke Newington, celebrated for its delicious blend of Thai and Asian flavours. Aun provides a delightful culinary experience.

CLISSOLD LEISURE CENTRE

Nestled beside Clissold Park, this bright, modern leisure centre offers a welcoming space to swim, train and unwind - a lively hub where fitness and neighbourhood spirit meet.

HIGHBURY & ISLINGTON

4 Minutes

14 Minutes

Known for its stylish boutiques, leafy parks, and buzzing restaurant scene, it's a favourite spot for professionals and families alike. With its rich history and trendy vibe, Highbury & Islington strikes the ideal balance between cosmopolitan living and relaxed community spirit.

Camden Passage, Islington

REGENT'S CANAL

Regent's Canal is a scenic pathway ideal for leisurely walks and cycling, winding through vibrant neighbourhoods and lush parks. Discover charming cafés and hidden gems along the way.

TRULLO

Trullo is just one of the many loved dining spots in Highbury and Islington. This renowned Italian restaurant is known for its locally sourced ingredients and high quality dishes.

THE SCREEN ON THE GREEN

A charming independent cinema known for its intimate atmosphere and eclectic film selection. From the latest blockbusters to indie gems, it offers a unique movie-going experience.

EMIRATES STADIUM

Home to Arsenal Football Club, this modern architectural marvel offers an unforgettable matchday experience.

CROUCH END

14 Minutes

11 Minutes

Crouch End is a picturesque and family-friendly neighbourhood just moments from Woodberry Down. A focal point of the area is the iconic Crouch End Clock Tower, a beloved landmark that adds character to the local streets.

Crouch End Clock Tower

PARK ROAD LIDO

A wonderful heated 50m long lido that's open all year. Opened in 1929, it's surrounded by sun terraces, making it a perfect spot for relaxation and recreation.

URBAN FLOWER CO

Urban Flower Co in Crouch End is a vibrant florist known for its eclectic mix of flowers and plants, offering a unique and unstructured approach to floristry.

CROUCH END PICTUREHOUSE

Crouch End Picturehouse offers a modern, welcoming cinema experience with comfortable screens and a relaxed neighbourhood vibe. Guests can enjoy freshly made food and a wide range of drinks delivered straight to their seats, making every visit feel like a treat whether you're watching the latest blockbuster or a quiet midweek film.

GAIL'S BAKERY

A crowd favourite, GAIL's is a cosy neighbourhood spot serving freshly baked sourdough, pastries, and great coffee in the heart of Crouch End.

HACKNEY

10 Minutes

15 Minutes

Hackney is one of East London's trendiest hotspots, known for its vibrant mix of cutting-edge fashion, art, and culture. With stylish cafés, independent boutiques, and lively markets, it's a hub for creatives and trendsetters alike.

Well Street Kitchen

NIGHT TALES LOFT JAZZ BAR

Night Tales Loft in Hackney hosts lively jazz nights in a stylish, industrial-style space with great views. Featuring a mix of traditional and contemporary jazz, these live performances create a vibrant, laid-back atmosphere where guests can enjoy cocktails while listening. The perfect spot for jazz lovers in East London!

HACKNEY FLEA MARKET

Hackney Flea Market takes place on the last weekend of every month, offering a treasure trove of vintage finds, quirky antiques, and unique handmade goods. With a vibrant atmosphere and a mix of independent traders, it's the perfect spot to discover one-of-a-kind items in East London.

LONDON FIELDS LIDO

London Fields Lido is a popular heated outdoor pool, open year-round for swimmers to enjoy in all seasons. Located in the heart of Hackney, it's the perfect spot for a refreshing dip, offering early morning and evening swim sessions daily.

COLUMBIA ROAD FLOWER MARKET

Columbia Road Flower Market is a vibrant Sunday tradition, overflowing with colourful blooms, plants, and local charm. With its independent shops and cozy cafés, it's a must-visit destination for plant lovers and those looking to brighten up their home.

WOODBERRY DOWN A LEGACY IN THE MAKING

WOODBERRY DOWN, THE STORY

Woodberry Down stands as one of Europe's largest & most successful regeneration schemes - a landmark collaboration between Berkeley Homes, the London Borough of Hackney, and Notting Hill Genesis, working hand-in-hand with the Woodberry Down Community Organisation and the Manor House Development Trust.

Finsbury Park is created — one of the first of the great London parks laid out in the Victorian era.

New Piccadilly Line trains arrive as part of a £2.9bn modernisation.

Our neighbourhood will continue to grow with new restaurants, bars, cafés and fitness facilities, enhancing the great amenities already here.

Construction starts at Woodberry Down, and we celebrate the sale of our first home.

Since construction began in 2009, 6,495 homes will be delivered across eight phases as part of one of Europe's largest and most successful regeneration schemes.

Phase 4's final home completed, delivering 289 new private homes, and marking another major step forward in the transformation of the neighbourhood.

A milestone year: Phase 3 now complete and Woodberry Down wins gold at the WhatHouse? Awards for Best Regeneration Scheme in the UK.

Delivered our 2,000th home.

Demolition of old buildings begin.

The London Borough of Hackney appoints Berkeley Homes to lead the regeneration, forming a partnership with Notting Hill Genesis to deliver the project together.

Manor House Underground station is built, with nine entrances and two tram stations. The transport links pave the way for a 1936 London County Council report that states the area is suitable 'for housing and use in the relief of over-crowding'.

DIVE INTO LIFE

AT WOODBERRY DOWN

Woodberry Down is more than a home - it's a neighbourhood designed for well-being. Wellness amenities, green spaces, and social hubs connect you to community and calm, while on-site shops, cafés, and essentials keep everything you need just steps away.

FIND YOUR DREAM HOME

INTERIOR DESIGNER'S Q&A

Lauren Willis
Senior Interior Design Manager

THE GROVE COLLECTION

WHAT WAS YOUR MAIN INSPIRATION FOR THE INTERIOR SCHEMES FOR THE GROVE COLLECTION?

The Grove Collection draws inspiration from the balance between contemporary city living and the calming connection to nature. The material palette has been thoughtfully curated to resonate with the essence of its surroundings, embracing earthy, natural tones that ground the space in warmth and authenticity. Subtle brass accents introduce a sense of refinement and timeless elegance, while the continuous fluted detailing weaves a tactile rhythm throughout, seamlessly connecting each space with a unified design language.

HOW DO YOU WANT PEOPLE TO FEEL WHEN THEY WALK INTO THE APARTMENTS?

When people walk into the apartments, I want them to feel an immediate sense of calm and connection — a sanctuary that balances the energy of city life with the tranquility of nature. The design should evoke warmth, comfort, and authenticity through its natural material palette, while the refined brass accents and thoughtful detailing add a quiet sense of luxury. Ultimately, the space should feel both grounding and uplifting — a place where modern sophistication meets organic serenity.

PLEASE DESCRIBE THE TWO OPTIONAL DESIGN SCHEMES

The Grove Collection offers both light and dark finish options to reflect the balance at the heart of its design — the contrast between the vibrancy of city living and the calm of nature. The light palette brings an airy, uplifting energy that enhances natural light and evokes a sense of freshness and serenity. The dark palette, on the other hand, offers depth and intimacy, creating a cocooning atmosphere of refined luxury. Together, they allow residents to choose a home that resonates with them.

HOW DO YOU SEE THE INTERIORS REFLECTING THE OVERALL IDENTITY OF THE GROVE COLLECTION AND ITS CONNECTION TO NATURE?

The connection to nature is expressed through a palette and form language that echo the organic qualities of the landscape. Warm, tactile materials and fluid detailing bring a sense of natural harmony, grounding the contemporary architecture in authenticity and calm. The result is a home that feels rooted and restorative — a seamless extension of the natural world, thoughtfully crafted for modern living.

WOODBERRY DOWN

INDULGE IN THE ART OF UNWINDING

LUMA

Computer Generated Image is indicative only and subject to change.

WOODBERRY DOWN

LUMA

A warm palette that creates a space that opens up under gentle light. Blending sleek lines with natural textures to bring the calm of nature indoors. The result is a clean, open feel that's modern yet deeply comforting. Brushed brass details to bring luxury within the home.

NOIR

Computer Generated Image is indicative only and subject to change.

WOODBERRY DOWN

NOIR

A darker palette that wraps you in moody warmth, where sleek silhouettes meet rich natural textures illuminated by beautiful brushed brass details. The atmosphere feels grounded and intimate, bringing nature's depth and serenity indoors.

CUSTOMER RELATIONS

We want to ensure you are happy with every aspect of your new home, so we look after our customers at every stage with expert advice, attention to detail and continuous communication.

From exchange of contracts, your dedicated Berkeley Customer Service Representative will help with any questions you may have.

Here is what you can expect: From the day you reserve – until the day you complete – we'll update you regularly on progress. You will be given your own log-in credentials at reservation to access your personal MyHome Plus account where you will be able to view the development, property, construction progress and buying process information.

Sustainability is high on any responsible builder's agenda. We promise to fully communicate the environmental features of our developments to all of our customers.

Our Customer Relations Manager will present a selection of designer-conceived colour palettes to help you find the interior finish that most suits your style.

We'll meet you on site to demonstrate all the functions and facilities of your new apartment. We personally hand over your key on completion day and make sure everything is to your satisfaction

The 2-year warranty with 24-hour emergency service has a dedicated customer service telephone number and from the 3rd to the 10th year you'll have the added security protection of a 10-year ICW (International Construction Warranties) warranty.

Finally we'll contact you after 7 days, at 4 weeks and 7 months after you move in, to make sure everything continues smoothly.

Head of Customer Experience
Heather Bothwell

"The staff have been incredibly helpful in making sure my documents were signed so I could move in on my preferred date. They were kind, understanding and respectful, making the whole process stress-free."

West Acre Survey

"We have to create real communities. Not just homes, but beautiful places with the amenities and green open spaces that bring people together. We have to talk to people, listen to everyone, and ensure we're providing the facilities they really need and care about most. If we keep the focus on people, then housing offers so much more than just shelter. It becomes a powerful force for good."

Berkeley Group

PARTNERSHIP & COLLABORATION

A vibrant neighbourhood for north London: Woodberry Down in Hackney is one of the Capital's largest estate regeneration projects providing placemaking, social and economic change on an inspiring scale.

The concepts of placemaking and people sit at the heart of the 30-year development project, which on completion will see 1,890 existing homes replaced by over 6,400 new build apartments (of which 41% will be affordable). 2,901 homes have been delivered to date with 511 currently under construction.

The long-term transformation can be attributed to the effective collaboration between the four main delivery partners:

- Hackney Council
- Notting Hill Genesis Housing Association
- Berkeley Homes
- Resident-led Woodberry Down Community Organisation (WDCO)
- Manor House Development Trust (MHDT)

Woodberry Down is a mixed, balanced and integrated community. Walking through the new neighbourhood, it is impossible to tell the difference between private and social housing. High quality amenities such as two schools, an academy and a community centre, as well as shops for a range of budgets, continue to be provided. In addition, there is 2.61 acres of new parkland – awarded a prestigious Green Flag in 2016/17. All are fundamental partnership objectives with one goal in mind: to make Woodberry Down a successful new London district for existing residents and new homebuyers alike.

Manor House Development Trust (MHDT) is also a key player in Woodberry Down. This award-winning, community-led organisation

funded annually by Notting Hill Genesis and Hackney Council drives forward economic and social regeneration through building community resilience and sustained empowerment to secure Woodberry Down's long-term future.

Thanks to the efforts of all involved in the regeneration project, Woodberry Down has become a thriving, sociable place to live. Well attended events such as the annual Hidden River Festival have become a much loved fixture in the area's community calendar, while the nature reserve provides a gorgeous waterside setting for the new homes, in addition to attracting a new wave of visitors to Woodberry Down.

A PEOPLE-CENTRED APPROACH

We want to create places that people will love as their own. Places that inspire a sense of pride, belonging and community spirit. This can only be achieved through listening to people and putting their wellbeing at the heart of everything we do. We have to show care, passion and attention to detail, day after day.

When we approach development in this way, local people become our partners. They bring their own energy and ideas, and they turn a place into a real community.

DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of nature, amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

Protection for new-build home buyers

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. Our homes are designed to be water and energy efficient, promote recycling and enable residents to choose sustainable transport options.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

OUR VISION 2030 TRANSFORMING TOMORROW

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

TRANSFORMING...

PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

SUSTAINABILITY AT IT'S HEART

This is how we are ensuring sustainability at Woodberry Down.

CLIMATE ACTION, NATURE AND COMMUNITIES

Sustainability is fundamental to Berkeley. In simple terms, our approach is to develop the homes and places of the future without compromising the ability of younger generations to meet their needs. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at Woodberry Down.

NATURE AND BIODIVERSITY

We believe a new development should enhance nature, not take away from it. Parkland, trees, flowers, living roofs, ponds, hedges, gardens – these are the fundamentals of a thriving natural environment that bring nature to people. Within and around Woodberry Down, we have created natural habitats that encourage wildlife to flourish. We are working with award-winning landscape architects, Murdoch Wickham, to engage residents in the natural landscapes that we have created.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. In addition to external recycling bins, we provide integrated recycling bins in kitchens to make it easier to separate and recycle waste. For our business operations we've had a strong commitment to waste and reducing our impact for many years, and we strive to embed efficient waste management within our operations.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to be energy efficient. They have enhanced levels of thermal insulation and airtightness, [and have been fitted with mechanical ventilation units with heat recovery (MVHR)]. All lighting is low energy and kitchen appliances are selected to deliver high levels of energy efficiency.

SUSTAINABLE MATERIALS

We commit to sourcing the materials for the construction of our buildings in a sustainable and responsible way. All timber and wood-based products used to build your home should be certified to either the Forest Stewardship Council (FSC) or Programme for the Endorsement of Forest Certification (PEFC) scheme. This means it will have come from a responsibly managed forest. Our focus on materials doesn't just stop there – as a business we are committed to measuring and reducing the embodied carbon of our buildings, which where possible, includes sourcing low carbon materials, and those with high levels of recycled content.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout Woodberry Down we have planted trees, shrubs and flower beds to help create a cleaner air environment.

SUSTAINABLE TRANSPORT

We also provide walking routes, cycle paths, secure cycle parks and car charging points to encourage the use of sustainable methods of transport, to help reduce air pollution around the development and the wider area. Promoting walking and cycling as methods of transport also help encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with Rendall and Rittner and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall.
