## Industrial Placement Scheme

We offer undergraduates 12 month paid placement opportunities in a variety of departments. Our intensive, yet rewarding placements expose undergraduates to relevant industry experience and increased responsibility.

Our placements are available in the following:

### Technical

---

### Commercial (Quantity Surveying)

---

### Construction

---

After successfully completing your 12 month placement with us and achieving your degree, you will be given the opportunity to return to the Berkeley Group and join our award winning Graduate Scheme.

100% of Industrial Placement students have been offered a position on the Graduate Scheme once completing their Industrial Placement.
